INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Moses Friedman Supt.
Carlisle, Pa.

Dear Mr. Friedman:

I guess you will
be surprised to receive
a letter from me as I
guess you think I
have forgotten "old
Carlisle," but such is
not the case. I still
remember it and its
kind Superintendent.
I guess you do not

II

remember who I am,
but until June 30. last
I was a student at
Carlisle.

Since I left I
spent a very pleasant
vacation. I spent part
of the summer with an
aunt in Brooklyn
and now I intend
spending the rest
in Connecticut. When
I return I intend to
go to a place in
New York to learn
telegraph operating.

III

I expect to go in
September which is
very near now.

Mr. Friedman I
want to ask you
how much it would
cost to have the
"Arrow" and "Redman"
sent to me for a year?
I would very much like
to receive it, so as to
keep in touch with
"Old Carlisle" and its
doing. They are both
so interesting also.
If you will tell

1111

me the price and
arrange to have them
sent I will be very much
oblidged.

Hoping you are
well and all at
Carlisle. And trust
it will be a success-
ful year for everyone.

I am yours

Sincerely.
