## INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations or Indian schools to nonreservation schools.

Please Sir :-

I rec'd your kind  
and welcome letter some  
time ago and was  
very glad to get it.  
Since I left Carlisle  
my health seem to  
be improving and also  
gained quite a bit I  
am home staying with  
my mother and father

And I am going to  
the public school and  
like it very much I  
am in the six grade  
and doing nicely. My  
report shows it I am  
standing nearly a hund-  
red in my studies  
my teacher's name  
is Miss Mary Crahan  
and she is a very  
nice teacher. I take  
very much interest in  
the Carlisle Arrow and  
often wish I was back  
there I may return to

Carlisle. The first part  
of next fall. If my  
health holds out good  
I have read in the  
Arrow of the good time  
<sup>the</sup> students had during their  
holidays and I hope you  
have enjoyed it as the  
rest have.

It is now getting late  
so I will have to close  
wishing you a  
success in the future  
with the Carlisle Inst.  
I remain as ever one of  
your pupils and hoping

To hear from you  
again soon,

Your truly  
Miss Julia Guyon
