Mr. Friedman.

Dear sir I will take the pleasure of writing you a few lines to let you know that we have moved to Fort Benton Montana.

Mr. Friedman will you please have the Carlisle arrow changed to Fort Benton Mont. instead of Evanston Illinois.

We certainly do enjoy reading the arrow, and we are always glad to hear from Carlisle.

My brother David got a very interesting letter from one of the Carlisle student Arrow Mentions who is going to school in the state of Washington.

In his letter he said that he saw the moving pictures of Carlisle and in one of the pictures he saw the boys and girls marching to the dining hall and among them he saw a quiet a few of whom he knew, He also saw all of the different shops and all the boys in the shops were busy at work. he said they certainly were interesting.

Any news from Carlisle is always interesting to me.

I will close with best wishes to all, and especially to the Susans.

I remain as ever truly

INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

John Francis, Jr.,
Supt. Carlisle School,
Carlisle, Pa.

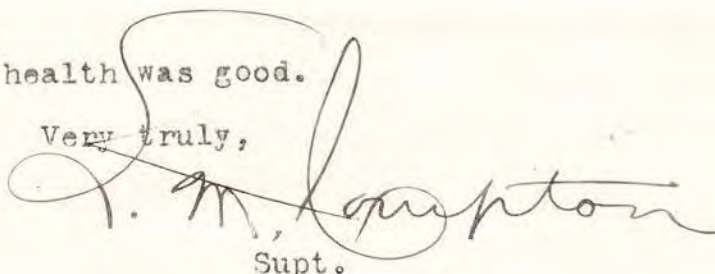

Dear Sir;

In reply to your letter of the 7th inst. The Gilstrap boys were in this school a number of years ago. They afterward moved to Montana where their parents had taken a claim.

I am perfectly willing to release them, but would want to be quite sure that the Office would approve their enrollment before taking them. I believe there is some question as to whether they have sufficient Indian blood to entitle them to school privileges. It seems to me that question was up once before and that the Office ruled that they were not eligible, though I am not positive of it and I do not find anything about them in the files.

I think their health was good.

Very truly,
