Any general statement or wishes of patron or pupils, together with Agent's estimate of place, people, and pupil:

A delightful home in suburbs of town, large yard filled with beautiful shrubbery and trees. Patron a Friend, a kind practical woman, excellent housekeeper says M. has been with her but a few weeks so far satisfactory. She has a pleasant disposition and tries to please. Is inexperienced and knows little about work. Too early to decide about keeping her. M. likes her home is a little lonely as there are no other Indian girls near. She will start school on Monday.
