Mr. Jacob Twin,

Winnebago, Nebraska.

My dear Friend:

I have noted the request contained in your letter of November the 7th. Replying thereto I will state that you had a good record here with the exception of the two desertions from school that appear against you. Your going home from Altoona without permission is certainly not to your credit.

In regard to a recommendation for you I have to suggest that you use my name as a reference. Then those to whom you apply for appointment can write to me. Though your desertions do appear against you I will gladly make a favorable report in so far as your work was concerned during the time you were enrolled here.

Very truly yours,

HKM.

Carlisle, Pa.

Dear Sir,-

I will drop a  
few lines to you this eve, just  
to let you know that I am still  
alive and enjoying the western life  
good as ever, I am still in  
Winnebago and have not gone  
to Omaha yet. But before I go  
to Omaha I wish to ask you to  
recommend me to the Union  
Pacific R.R. Co. and send me  
the papers as soon as possible.  
I was in the plumbing department  
while I was at Carlisle + I went  
to the Pennsylvania R.R. Co. in  
Allentown Pa April 8<sup>th</sup> 1912, and  
I came back to Nebraska because  
my father was sick, and that

be to be close by him,  
and often think of  
Carlisle & wish I was back  
again. I would like to get the  
arrow every week and the Red  
man once a month. I will close  
now hoping to hear from you  
as soon as possible and  
sending my <sup>best</sup> regards to my  
friends at Carlisle,

I am yours truly.

Jacob Twin.

Mr. Jacob Twin,  
Winnebago, Nebraska.

My dear Friend:

The request contained in your letter of recent date has had careful consideration, and, after an examination into your record during your previous enrolment at Carlisle, it has finally been decided that it would not be advisable to have you return here for additional industrial work.

Hoping that I can assist you in some other way to secure an appointment to a position where you can get practical experience in your chosen trade, I remain,

Very truly yours,

HKM.

Mr. M. Friedman  
Superintendent.

Sir:-

Jacob Twin has been a pupil of this school for eight years, having deserted from the outing about a year ago. He had made little progress in school during his term here. He is lazy and I do not think it would be advisable for him to return as a trade pupil.

Respectfully

**Suggestions for Supplying the Information Requested on this Blank.**

1. The report of Non-reservation School Superintendents should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the year, provided the pupil is 18 years of age and over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with him, for the purpose of getting more in personal touch with the returned student, and finding out something about his wishes etc. The answer to this letter when received will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very essential in placing them properly, but height and weight could be approximated very satisfactorily, though from the pupil records now being gotten up, all information called for in part 1, of this blank, could readily be secured and be definite.

3. The State, Agency, and Tribe are important, and where the pupil is not attached to any agency, this fact should be stated as "no agency," and in such cases the Superintendents should give all available information as to the home and local conditions surrounding the pupil.

4. Where the out-going pupil has passed the Civil Service Examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the out-going student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be stated, as this fact largely determines the amount of efforts that will be made on behalf of any particular returned student. Qualifications being equal or even nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Denver, Colorado.

8. Reports on out-going students from Reservation Schools, are made only on pupils leaving the school who are 18 years old or over, and who will probably not go away to school.

9. If Part 1, of this report is made out by the Principal of the Reservation School, the Agent or Reservation Superintendent should supply information called for in Part 2, if the Principal has not the necessary information on home surroundings and local conditions. Information in regard to home surroundings and local conditions is very essential to properly understand the pupils' difficulties and needs.

10. When Part One is made out by Non-reservation Superintendents, this blank will be sent by the Supervisor of Indian Employment to the Agent or Superintendent of the Reservation, where the out-going student belongs, to have Part 2 filled out. This should be filled out and returned to the Supervisor of Indian Employment, Denver, Colorado, as promptly as possible, for, practically nothing can be done, till the receipt of this blank, with Part 2 filled out by the Reservation authorities. The information "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.
