August 19th, 1914.

Mr. Ethan Anderson,

Upper Lake, California.

My dear Friend:

I was pleased to receive your letter of August the 7th and to learn that thru your efforts several of the young men of your acquaintance have decided to apply for enrolment at Carlisle. It is also encouraging to know that your own and Michael Gomez's ability to be of service has proven to be an inducement for other young men from your home to come to Carlisle.

Herewith I enclose blanks upon which applications for enrolment here may be submitted to the Superintendent of the Round Valley School at Covelo for his consideration and approval. If the young men can then be recommended I will be requested to give such further assistance as is required to effect the transfers. I must also add that only their transportation to Carlisle could be provided if they are accepted for enrolment. Their incidental traveling expenses would have to be paid for from their own funds.

Regarding your coming with the students as escort, I must state that such an expense could not be incurred be-

and then

cause of the comparatively great cost of the transportation alone, I should like to have you pay Carlisle a visit, but it cannot be at government expense.

Hoping that you will let me know in what other way I can be of assistance and that I will hear from time to time that you are continuing to take a prominent place in the affairs of your home community, I remain,

Very truly yours,

HKM.

4 Greenville Indian school.

They are good in their characters and physically developed and wishes to learn a trade.

Just one thing about them is the term of enrollment, they want to learn their ^{chosen} trades as soon as possible and come back so as to labor close to their homes.

They have seen Michael Gomez's success and his present occupation at Lakeport, and are now looking to the future for success.

I think the cannery will start in the middle of Sept. I will send a telegram

Upperville, Cal. Aug. 7 - '14.

Oscar H. Lipps, Supt.

Carlisle,
Pa.

Dear Sir :- Having received your letter recently, I submit to make the following announcement.

This is the busiest part of the year for us people, and owing to the support of my dear Alma Mater, I made it my duty to explain to some of my young friends that Carlisle needs them to go there with a purpose and that all the advantages to make them better men and women can be found by enrolling as students

3/ Hermon Christian Association
are doing for us and how I am
aiding them you certainly would
pity me for taking up such task,
but I really know that in the
end there is success.

I am on duty to conduct all
the meetings here during the
absence of the Mt. Hermon employees.

If you can make to pay one
way or fare I would be glad to
hear so, and I will try to accum-
ulate enough for my return,
and to give you further information,
these boys are strong and active
and two of them have received
their recommendations at the

2/ at the dear school.

Three of the boys responded at
once and a few more are talking
over it and I have no doubt in
taking more than four.

They are anxious to go and
asks me to take them through
if it's possible, that is if you
can agree and make arrangements
for me to take them along and
show them the way.

I have led a life the best of
my experience which I have
learned at Carlisle and I am
struggling to see my
friends do like-wise.

If you know what the Mt.

6/ to you, and give you the number of ~~days~~ that are going, so you can make arrangements for their passage.

The boys want to make a little money to get along with and also to prepare for the trip so they decide to leave after bean harvest.

What about the other expenses besides the fare? Are such expenses to be reimbursed as it had been done to us?

In your reply which I would be glad to learn at the earliest date possible, please let me know how we shall manage

This without any misunderstandings.

I'll be glad to see Carlisle once more and that I want to visit the White House for certain purpose and also to be present at the American Indian Conference in October at Madison, Wisconsin.

In that way I think my trip will be not only for pleasure but learning and working in the task to uplift my people as what Carlisle will hope to see me do.

Hoping to leave all disappointments beyond, wishing for the best results I am

yours truly,

Mr. Ethan Anderson.

Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation.
