Dear Joseph:

I had a letter from Mr. Dickey saying that some time this fall you sent Meroney French a money order for \$7.50 which was to be used to purchase a Carlisle sweater for you. I had Meroney up to the office yesterday and questioned him about this money. He says that he got the money order cashed but that he lost the cash. He says he has no money now, but that he will repay you when he can earn some. I am sorry Joseph that you did not send the money for your sweater direct to me rather than to trust it to one of the boys. Had you done this you would have had your sweater by this time. I do not see what I can do to help you get this money now.

Very truly yours,

Dear Mr Denny,

On Nov. 28th last, Joseph  
Jessen sent a post office  
order to Meroney French amounting  
to 7.50 requesting him to purchase  
a Carlisle sweater for him.  
Joseph has had no returns  
for his money. Meroney states  
the order was lost. I have  
taken the matter up with the  
Post master at Newtown and he  
claims the order has been  
paid at Carlisle. The number  
of the order was 39102 and  
was paid in Carlisle Oct.  
30th.

Please question Meroney  
French and find out what  
he did with the order. It  
might be Meroney lost  
the order after signing it  
or some one could have  
forged his name and gotten  
the money, or could it be  
that Meroney is dishonest  
in the matter?

Yesterday I visited Mr.

well though quite old. This

his death. Joseph expressed  
his wish to remain with them

Supt., The Cherokee Agency,

My dear Mr. Henderson:

Referring to your letter of the 18th instant, I must inform you that Joseph Jessan is one of the Cherokee students who was brought to Carlisle on December the 2nd of 1911 for a five year period and that under the rules then in force his period of enrolment does not terminate this year. He was seen at this office last evening and it was explained to him why his return home this year cannot be effected at the expense of the government for transportation.

In this connection I must report that Joseph does not have any money to his credit in our school bank, so that the financial assistance recommended by you cannot be given by him.

Very truly yours,

HKM.

My dear Mr. Lipps;

The mother of Joe Jessan has called and asked me to write you concerning the return home of her son. She seems to think that he has been in Carlisle his allotted time. I observe however that his name does not appear on the list of those whose period of enrollment expires this year. The mother is in poor circumstances and it is a question in my mind as to whether Joe could help her any if he returned. If he has any funds in the bank at Carlisle, five or ten dollars of it would be a far more service to her than her son which would likely be just one more to feed. I trust that you will take this matter up with Joe, to having him help his mother if he has the funds.

## **INDORSEMENTS.**

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations, or Indian schools, to nonreservation schools.
