Edward Fox.

Shawnee Indian School,

Shawnee, Oklahoma, July 10, 1915.

The Commissioner of Indian Affairs,

Washington, D. C.

Sir:

Edward Fox, enrolled at this Agency, attended Carlisle Indian School, Carlisle, Pa., for several years past, there learning the painter's trade. I believe that after he left there he remained in Carlisle for a year or two, working at his trade; that he married a white girl in that town and became somewhat attached to that locality.

Superintendent Lipps advised with me, as well as with Mr. Duntin, my predecessor, stating that Edward was not making it very well in Carlisle. This was evidenced from the fact that he was repeatedly calling for funds at this office. During the year, from January 1, 1914, to December 31, 1914, the following funds were sent to him at Carlisle from this office;

February 2, 1914.	\$25.00
March, 20, "	50.00
June, 11, "	12.50
" " "	25.00
October, 19, "	50.00
December 10, "	25.00
	<u>\$187.50</u>

On the advice of Mr. Lipps, because it seemed the best thing to do, this young man was urged to come back here and get on his land and make a living, and home, for himself and family, here. They arrived here this spring in time to

put in a crop, but they have not been satisfied with the place. His land is of poor quality. His wife is homesick for her relatives and friends in Carlisle, and whenever the baby happens to be a little sick they blame it on the Oklahoma climate, -thinking that if it should die it would be because they were here in Oklahoma, rather than back east.

Now, Edward has repeatedly requested me to furnish him money to move back to Carlisle. He has shown me two different letters from his father-in-law, stating that if he was now at Carlisle he could secure work at his trade. On these occasions I have advised Edward that since he is here, and has a crop planted, he better stay with it this year, and gather his crops, and see what he can make, as otherwise he will lose his years work. This, it seems, he has been willing to do, at times, but after going home and talking it over with his wife he has come back again, repeatedly saying he wants to go back east and work at his trade.

This spring the following sums of money were expended for this Indian to start him up at work, and equip his home;

January, 18, 1915.	\$100.00,	to return here, expenses.
February, 15, "	250.00.	team of mules.
" " "	7.00.	groceries.
" " "	170.00.	wagon, harness, plow, harrow.
" " "	67.05.	furniture.
March, 10, "	12.50.	feed.
" " "	6.80.	chickens.
" " "	20.00.	cultivator.
" " "	9.20.	chickens.
" " "	20.00.	Lister plow.
" " "	2.50.	household goods.

Carried forward- - \$665.05.

Brought forward, -		\$665.05.	
March, 10, 1915.		2.50.	subsistence.
" " "		11.20.	seeds.
" 19, "		12.50.	feed.
" " "		15.00.	subsistence.
" 30, "		10.00.	living expenses.
" 30, "		10.00.	" "
April, 14, "		70.00.	cow.
May, 13, "		12.50.	feed.

" 25, "		5.00.	" "

July, 1, "		10.00.	" "
" 6, "		12.50.	threshing.
		<u>\$852.25</u>	

Of course, if he quits the farm here nearly all of the above equipment will have to be sold,--some of it at a sacrifice. In addition to what may be realized from the above this young man has on deposit here \$1415.78. If he goes back to Carlisle to work^{after}/~~far~~ awhile his work will be less,--when winter comes on,--right now being the busy time of year in his trade.

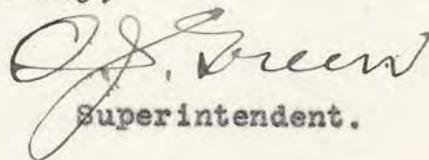

I have been in doubt as to just how to handle this young fellow's affairs. He is a quite unassuming sort of fellow, seemingly willing to listen to advice. I do not feel that every Indian can be made into a farmer, nor that any Indian should be forced to farm. I believe they should have a chance to do the kind of work they like to do, the same as other people,--as far as possible. It has occurred to me if this young man should go back to Carlisle and make something at his trade, with the money which he has at this office, together with the income from his land which will lease for about \$160.00 a year, this ^{sent} to him from time to time, ought to enable him to live in reasonable

comfort in Carlisle, especially if he is able to do anything at all at his trade.

Now, because of their repeated requests in this matter, I am submitting it to the Indian Office, sending a carbon copy of this letter to Superintendent Lipps, who is somewhat acquainted with this young man, and I have informed Edward Fox that I shall be governed in giving him advice by instructions, or suggestions, received from the Indian Office, and by advice from Superintendent Lipps in this connection. It appears to me that the wishes of this young man, and his wife, should be given careful consideration, notwithstanding the fact that he may not be as industrious and energetic as he might be, still he has the same right to live his life as he wishes, and it appears to me should not be altogether forced to follow a line of work in which he is not interested.

Kindly advise me as to the attitude of the Office in this, and similar cases.

Very respectfully,

Superintendent.

Dear Sir:

Mrs. Edward Fox, with her two children, called on me at my office yesterday and informed me that she was instructed by you to do this when she was ready to return to Shawnee after a visit to her people who live in Carlisle. She tells me that you will send her money for railroad fare upon my application.

Mrs. Fox tells me that she would like enough money for two carfares, Carlisle to Shawnee, Oklahoma. I am just complying with her wishes, and you can send her her money direct to 26 East South Street, Carlisle, Pa.

My dear Sir:

Edward Fox, now residing at 412 North West Street in Carlisle, came to my office this morning with the letter you addressed to him on December the 23th. He has decided to heed the advice that has been given him to go to work on his farm and it is his desire that you send him a sufficient amount to pay for his own and his wife's transportation from Carlisle to Shawnee. About \$76.00 will be required to pay for the two tickets and I presume Edward does not have any money with which to provide for incidental expenses enroute.

If it is your desire that I shall co-operate with you further in the matter I will arrange to secure the transportation if the money for Edward's use is sent to me.

Although the girl he married can hardly be considered a suitable wife for him I gave my consent to the marriage to save Edward from prosecution for statutory crime, which would probably have been instituted by the father of the girl because of her age and delicate condition.
