SPECIAL NOTE.

This form must be executed in duplicate when a child is transferred from a reservation to a non-reservation school. The Superintendent of the nonreservation school will retain the original for his files, and the duplicate shall be deposited in the Agency records. The agent will then send to the Commissioner of Indian Affairs his certificate as provided by law. All the blanks must be properly filled in every case.

NOTE.—Age limits, fourteen to twenty years. Preferably fourteen to eighteen. Students must be at least one-fourth Indian, preferably full Indian. Special cases beyond the age limit will be given consideration. An industrial course only can be taken and the term reduced to three years, in exceptional cases.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations, or Indian schools, to nonreservation schools.

Mr. John B. Howard,
Superintendent, The White Earth Agency,
White Earth, Minn.

My dear Sir:

Referring to your favor of April the 10th, re-
garding the return to Carlisle of Charles Roy, this
is to advise that since Charles did not take advantage
of the opportunity that was given him while a student
here it is my opinion that it would not be worth while
to give him another chance, especially because he does
not seem anxious to return to Carlisle. This boy has
been on the reservation for a few days ago. I spoke to him about returning to
Carlisle but he did not seem anxious to return to Carlisle.
Very respectfully,
Supervisor in Charge.
balance of \$21.99 under his account under the jurisdiction
of this agency. He has made application to have this money
paid to him but I think it best to deny his request for the
present and find whether or not you wish him to return to
Carlisle. I would judge that the boy is not overly bright
and I imagine that his record in school is not of the best.

Supervisor O. L. Lipps,

Carlisle Indian School,

Carlisle, Penn.

Sir:

On November 13, 1913, Superintendent Friedman addressed a letter to this agency asking that I notify him as soon as Charles Roy, who had deserted from his school on November 6, 1913, put in an appearance at this agency. This boy has been on the reservation for some time and was in the agency office a few days ago. I spoke to him about returning to Carlisle but he did not seem anxious to do so. He has a balance of \$21.89 under his account under the jurisdiction of this agency. He has made application to have this money paid to him but I think it best to deny his request for the present and find whether or not you wish him to return to Carlisle. I would judge that the boy is not overly bright and I imagine that his record in school is not of the best,

I would, therefore, be pleased to have you advise me
as to whether or not you wish him to return to Carlisle.

Very respectfully,

John R. Howard

My dear Sir:

This is to report to you that Charles Roy deserted from this school on the 6th instant, and that we have not succeeded in learning anything at all about him since that time.

If he arrives at his home I would thank you to notify me so that it can then be decided what other action may be advisable.

Very truly yours,
