### INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

My dear Friend:

I have again noted the request you conveyed to me in your letter of November the 11th, but it will be impossible to comply with the same.

The description you have given of your cousin seems to indicate that he is the Louis White who ran away from this school four different times during his enrolment here, and because he is now twenty-three years of age I would not be justified in giving him another trial.

Hoping that both of you can make other arrangements to acquire such further training as you may need, I remain,

Regarding myself: I beg to say that as far as my physical condition is concerned that I have not suffered or have been ill since I have left school. In consideration to your statement I had to pass physical examination before I could be employed in railroad work and that has been done before I went to work and furthermore, I am willing to be examined by any doctor you desire for me to be examined by yourself. Regarding your cousin, Louis White, I can only state that we have had two boys of that name enrolled here in the past and that it cannot be decided now whether this one may return to Carlisle until I am informed which one of the boys it is that desires to be re-enrolled.
