INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without special permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Mrs Friedman

Dear Sir:-

your letter received
asking if Maggie wished to stay & if we
wanted another girl during fall ^{winter},
we would like to keep Maggie as long as
It is possible for us to do so, she is a
most remarkably good girl, ^{and} is doing
well in both school & home work

and think it would be well for her to stay with us, But she wishes to return to the school & remain there during the winter, we would like another girl to take the place of Maggie, one not less than twelve years old. I sent in application for one about the last of June. suppose you have received it. I hope we may be fortunate enough to get one equal to Maggie.

When Miss Gaither was here in Feb. she said all pupils were required to go to school Sept 1 instead of Nov 1. as I would not know how to spare the girl during Sept & Oct. as they are very busy months

and would ask if it were possible for us not to send until Nov.

Very Respectfully yours.

Mrs. Howard W. Larason,
