INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

Miss Dorothy Morse,

Box 22, Bena, Minnesota.

My dear Friend:

This reply to the letter you addressed to Mr. Meyer on September the 11th has been so long delayed because Dr. Allen has been absent from school and your letter could not be referred to him for a statement in regard to your taking up the study of nursing upon your return to school. For your information I submit below Dr. Allen's statement:

"At the present time I cannot make any arrangements. The Nurses at the Hospital are all engaged for the winter and I cannot make any definite promise at the present time."

In view of the fact that the Nurses for the year have already been selected I could not make you any definite promise. However, I will be pleased to receive you and your friend at any time applications to cover your transfer are submitted me thru the office of Superintendent Howard. The blanks I enclose may be used.

I am also enclosing additional blanks, and if you

find it convenient to distribute them among your friends
the favor will be appreciated.

Hoping to hear soon in what way I can assist
you, I am,

Very truly yours,

DEPARTMENT OF THE INTERIOR

OFFICE OF INDIAN AFFAIRS

WASHINGTON

Appointment of
Dora V. Morse.

NOV 27 1912

Mr. Moses Friedman,
Supt., Carlisle School.

Sir:-

The Office is in receipt of an application from Dora V. Morse, Indian, who wishes an appointment as Assistant Matron in the Indian School Service, preferably at the Flandreau or Pipestone Schools, but before taking definite action looking to her appointment in the Service, information is wished concerning her record while a pupil of the Carlisle School. An early answer is requested.

Respectfully,

Acting Commissioner.

December 3, 1912.

Appointment of
Dora V. Morse.

The Commissioner of Indian Affairs,
Washington, D. C.

Sir:

Replying to Office letter, dated November 27, 1912,
Appointment of Dora V. Morse, I have to say that our records
show that Dora spent three years here, leaving last June after
completing the 7th grade. While at Carlisle she conducted
herself properly and was always considered one of our good
girls. She had no special training for the position which
she seeks but with the general intelligence which she pos-
sesses, I have no doubt that in time she would make a good
Assistant.

Very respectfully,

LaF.

Superintendent.

SUGGESTIONS FOR SUPPLYING THE INFORMATION REQUESTED ON THIS BLANK

1. The report of nonreservation school Superintendent should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the school year, provided the pupil is 18 years of age or over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with the returned student for the purpose of getting more in personal touch with him and finding out something about his wishes, etc. His answer will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very important in placing them properly; height and weight could be approximated very satisfactorily, though from the pupil records now in use all information called for in part 1 of this blank can readily be obtained and be definite.

3. The State, agency, and tribe are important, and where the pupil is not attached to any agency this fact should be stated and the Superintendent should give all available information as to the home and local conditions surrounding the pupil.

4. Where the outgoing pupil has passed the civil-service examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the outgoing student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be given, as this fact largely determines how much effort will be made on behalf of any particular returned student; qualifications being equal, or nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Denver, Colo.

8. Reports on students from reservation schools should be made only as to those who leave the schools at 18 years of age, or older, and who will probably not go away to school.

9. If part 1 of this report is made out by the principal of a reservation school, the reservation Superintendent should supply information called for in part 2 if the principal is not informed as to home surroundings and local conditions. Such information is essential to a proper understanding of the difficulties and needs of the pupil.

10. When part 1 is made out by a nonreservation Superintendent, this blank will be sent by the Supervisor of Indian Employment to the Superintendent of the reservation where the outgoing student belongs. He should fill out part 2 and return the blank as promptly as possible, for practically nothing can be done until the information called for in part 2 is supplied.

Information under the heading "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.
