My dear Sir: no cause for alarm regarding Christjohn,

Upon receipt of your letter of June
the 27th, relative to the condition of Christjohn
Antone's health, the same was referred to our school
physician with a request that a report be made at once.
I submit below a copy of the statement that has been
issued:

"Christjohn Antone was in the
Hospital February 28 to 29, 1912,
with Grip. Antone at present is in
the country working at his trade. I
have not been aware of his having any
hemorrhage from his lungs. It has
not been many days since he was at
the dispensary for eye treatment and
there was no complaint then of any
bad health or any hemorrhages. He
has lost no weight. When he returns
from the country I will give him a
thorough examination if the above re-
port is not sufficient."

I will report further that Christjohn was
here at school during the week of June 21st to 29th and
that no complaint was evidently made by him during that

Dear Sir:

Referring further to your letter of June 16th, concerning Christjohn Anton, his mother is much worried over the report that he is in poor health, and suffering from hemorrhages, which especially appeals to her as his father died from tuberculosis.

I think he should be thoroughly examined and if he has tuberculosis he should be sent home before the disease is too far advanced. Kindly advise me further concerning the matter. The mother is unable to pay the expense of his return, and so far as I know he has not sufficient funds of his own for the purpose.

Very respectfully,

J. C. Hart

Dear Sir:-

I wish to drop you a
few lines more. As I have been
looking for a letter from you
for some time so that I may
be able to tell you why
I left the place I was work-
ing for home.

I am working for
a large company and have
a fine place. I had the

To come back to school I
will do so, but I wish to
know if I could come home
again next spring, as soon
as the season opens up for
bigh layers. I have several
places to work under
instructions next year and
then I will finish my Trade.

So if you just think
it over and see what is best
I would be very glad to
hear from you soon.

job last spring when I
asked you to let me come
home, and as you didn't
seem to care about plac-
ing me at my trade I thought
it out to come home to find
my own place and to work
out what I am learning, also
that I lost most of my time
from school.

I wish you would
kindly send me what
little money I have at the
school bank.

If you care for me

I will now close wishing

My dear Friend:

I have noted the contents of your letter of August the 12th, but for the reason that you are a deserter from this school no special consideration can be given the request you conveyed to me. If you desire to have another chance it will be given you if you return to Carlisle. Your conduct here will then determine what privileges may be allowed you.

Very truly yours,

Dear Sir:-

Your letter is very gladly
received.

I have been thinking about
going back to Carlisle very much, but
I am working and making good money
and so I have made up to stay and
find out what I am able to do. I
have work enough to last the
year round.

with any one and that it
your mistake ^{by} ~~with~~ a large
measure. I told you in my letter
in good words that I would tell
you why I left if you wish, but
you answered in away that I
have nothing to say for myself
you know this is a large world
and that there is always room for
one to make good. I knew how to
look after myself before I ever
went to school. And when
I did arrived at school I did my
best at what I was to do, but

2

Well even if I were at the school I woudn't be able to get down to hard study in school, for I was turned down by the Doctor last spring and I was taking drawing lessons at the time with Mr. Collins, and I don't understand why I shouldn't be able to go to school if I am able to work at drawing.

and the way I understood the letter you wrote didn't just sound right for it showed very well that you woudn't reason

The but turned after seeing the
red tape the work if was what
you wanted and didn't care
for what I wished.

So I will ask you to
please send me the money
I have left at the school and
it will settle every thing.
Wishing to hear from you real
soon. I am truly, Chris John Antone

My dear Friend:

I have noted the contents of your letter of September the 7th, but in spite of all explanations you may offer the fact remains that you left your Outing home without permission and that your desertion appears against you on your record card.

However, I am pleased to hear that you are at work and that you have encouraging prospects ahead of you. I will not cease to be interested in you and your welfare and I extend you best wishes for success.

Your money will be sent to Superintendent Hart, as is usually done in all cases where returned students are under the jurisdiction of an Agency Superintendent.
