My dear Sir: no cause for alarm regarding Christjohn,

Upon receipt of your letter of June the 27th, relative to the condition of Christjohn Antone's health, the same was referred to our school physician with a request that a report be made at once. I submit below a copy of the statement that has been issued:

"Christjohn Antone was in the Hospital February 28 to 29, 1912, with Grip. Antone at present is in the country working at his trade. I have not been aware of his having any hemorrhage from his lungs. It has not been many days since he was at the dispensary for eye treatment and there was no complaint then of any bad health or any hemorrhages. He has lost no weight. When he returns from the country I will give him a thorough examination if the above report is not sufficient."

I will report further that Christjohn was here at school during the week of June 21st to 29th and that no complaint was evidently made by him during that

Dear Sir:

Referring further to your letter of June 16th, concerning Christjohn Anton, his mother is much worried over the report that he is in poor health, and suffering from hemorrhages, which especially appeals to her as his father died from tuberculosis.

I think he should be thoroughly examined and if he has tuberculosis he should be sent home before the disease is too far advanced. Kindly advise me further concerning the matter. The mother is unable to pay the expense of his return, and so far as I know he has not sufficient funds of his own for the purpose.

Very respectfully,

Dear Sir:-

I wish to drop you a few lines more. As I have been looking for a letter from you for some time so that I may be able to tell you why I left the place I was working for home.

I am working for a large company and have a fine place. I had the

To come back to school I  
will do so, but I wish to  
know if I could come home  
again next spring, as soon  
as the season opens up for  
bigh layers. I have several  
places to work under  
instructions next year and  
then I will finish my trade.

So if you just think  
it over and see what is best  
I would be very glad to  
hear from you soon.

asked you to let me come  
home, and as you didn't  
seem to care about plac-  
ing me at my trade I thought  
it best to come home to find  
my own place and to work  
at what I am learning, also  
that I lost most of my time  
from school.

I wish you would  
kindly send me what  
little money I have at the

If you care for me

My dear Friend:

I have noted the contents of your letter of August the 18th, but for the reason that you are a deserter from this school no special consideration can be given the request you conveyed to me. If you desire to have another chance it will be given you if you return to Carlisle. Your conduct here will then determine what privileges may be allowed you.

Very truly yours,

Dear Sir:-

Your letter is very gladly  
received.

I have been thinking about  
going back to Carlisle very much, but  
I am working and making good money  
and so I have made up to stay and  
find out what I am able to do. I  
have work enough to last the  
year round.

2

Well even if I were at the school I woudnt be able to get down to hard study in school, for I was turned down by the Doctor last spring and I was taking drawing lessons at the time with Mr. Collins, and I dont understand why I shouldnt be able to go to school if I am able to work at drawing.

and the way I understood

the letter you wrote didnt just sound right for it showed very well that you woudnt reason

with any one and that it  
 your mistake ~~with~~<sup>by</sup> a large  
 measure. I told you in my letter  
 in good words that I would tell  
 you why I left if you wish, but  
 you answered in away that I  
 have nothing to say for myself  
 you know this is a large world  
 and that there is always room for  
 one to make good. I knew how to  
 look after myself before I ever  
 went to school. And when  
 I did arrive at school I did my  
 best at what I was to do, but

The but turned after seeing the  
red tape the work if was what  
you wanted and didn't care  
for what I wished.

So I will ask you to  
please send me the money  
I have left at the school and  
it will settle every thing.

wishing to hear from you real  
soon. I am truly, Chris John Antone

Mr. Christjohn Antone,

Farmer's Hotel, Wrightstown, Wis.

My dear Friend:

I have noted the contents of your letter of September the 7th, but in spite of all explanations you may offer the fact remains that you left your Outing home without permission and that your desertion appears against you on your record card.

However, I am pleased to hear that you are at work and that you have encouraging prospects ahead of you. I will not cease to be interested in you and your welfare and I extend you best wishes for success.

Your money will be sent to Superintendent Hart, as is usually done in all cases where returned students are under the jurisdiction of an Agency Superintendent.

Very truly yours,
