Dear Sir:-

I thought I would write you a few lines this morning, to let you know that I am getting along very nicely with my wife Eleanor Jacobs. We are living in Thurston with Mr. Albert Hensley who was in Carlisle some years ago. We are working on 160 acres of corn and we have 60 acres of oats. Say do you know how much money I have in bank at Carlisle? Ask Mr. Miller to send it to me at Thurston Neb. Because I need that

money right away. I had
trade with that money
so you have to send it
to me right away. I owned
\$123.00 in store. I like to
pay for that, so and we
will get more food if I
pay for \$123.00. We can not
get some money on our
farm until Gov. Will
you send the money right
away. I wish to go over
there but I never have
time to go anywhere. I
hope you people will be
glad to hear that we are
working hard on our farm
we are showing what we
learn at Carlisle. I thank
you Carlisle make me
learn how to farm &

take care of every thing on
farm. I hope one of your
people come over to Thurston
and how we working.
our corns down here are 4
feet tall now. and the
oats turn to brown ready
for cutting down. Well
I have nothing else to
say so I say good bye.

My dear John:

This is to acknowledge receipt of your letter of July the 20th, which was addressed to Mr. Meyer. Replying thereto I have to advise that the matter of your going home was referred to me some time ago by your Superintendent. However, only this morning I had another letter from him stating that no further action is to be taken until we hear from him again. I submit a copy of the letter below:

"It is not necessary that John Butler be sent home before September 1st, and not then unless you hear further from this office. We thought it might be well to have him here this summer in order that he could make some arrangements about building, etc. The outing season will without doubt be beneficial vacation for John."

Dear Sir:

With reference to your letter, in regard to
whether or not, John Butler should be allowed to come
home, I wish I have your two letters of July 7th and
9th, respectively, regarding the return home of
John Butler, but for the reason that his period of
time at his outing home should continue until the
first of September I would be pleased to know whether
the matters requiring his attention can be held over
until that time. Your further recommendations will
be considered promptly, because John has ample funds
to his credit to pay for transportation expenses.

Dear Sir:

With reference to your letter, in regard to whether or not, John Butler should be allowed to come home, I wish to say that if John has sufficient funds to his credit there with which to pay his expenses home, I have no objections to his coming. It probably would be some benefit to John as it might enable him to make some plans for the future, in regard to what he wishes to do when his term expires.

If he has no funds there to his credit, that are available, it will be necessary for us to take the matter up with the Indian Office, and it would be three or four weeks before we would be able to secure funds from the Indian Office. We await your reply.
