SPECIAL NOTE.

This form must be executed in duplicate when a child is transferred from a reservation to a nonreservation school. The Superintendent of the nonreservation school will retain the original for his files, and the duplicate shall be deposited in the Agency records. The agent will then send to the Commissioner of Indian Affairs his certificate as provided by law. All the blanks must be properly filled in every case.

If the information called for on any part of the blank is not known, that fact should be stated. No space should be left unfilled. Whether the parents are living or dead, their names must be given.

The person who signs the blank as consenting to the transfer should indicate his relation to the applicant by marking out the word "parent," "guardian," or "next of kin," leaving unmarked only the title appropriate to the signer.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

Mr. Joe Chief Eagle,
Rosebud, South Dakota.

Dear Joe:

On checking over the pupils' accounts at this school, I find that you have a balance of 13¢ and I am enclosing a check for that amount. This is for interest received on the money you had on deposit here and was received after the balance of your money had been drawn out. Please sign and endorse the check before getting it cashed and if you have any trouble in getting it cashed, please sign and endorse it and return it in the enclosed franked envelope, which requires no stamp, and I will send you the amount in postage. Please do not destroy the check thinking it is too small to bother with because if you do we will have to carry it on our accounts and this makes considerable extra work.

Thanking you for your early attention to this matter, I am

Yours very truly,

Superintendent.

My dear Sir:

The Joseph Chief Eagle you referred to in your favor of May the 25th had to be returned to his home a year ago because he was not physically able to continue with his school work. Under the circumstances it is my opinion that he should not be given permission to return to Carlisle unless the Agency Physician can assure you that his health would not be endangered thereby. I also believe that Joseph should pay for his transportation if he desires to return to school here.

Very respectfully,
Chas. L. Davis

Mr. Mitchell Benbideaux,
Rosebud Agency, South Dakota.

My dear Sir:

This morning our visiting school physician made me a report as follows in regard to the condition of Joseph Chief Eagle's health:

"Joseph Chief Eagle since his arrival has been more or less an inmate of the Hospital. He has at various times outbreaks of cutaneous tuberculosis, at present he has tubercular ulcers of the right eye lid and of the neck. I think this boy would do better at home in the open air than at school. I therefore recommend he be sent home."

In accordance with this recommendation it is being arranged to have him leave here tomorrow evening, accompanied by another boy who is enroute to the Sisseton Agency. Joseph has requested that transportation to the Rosebud Agency be furnished him so that he can visit you before he goes on to his home. Such action is being taken.

Hoping that you will notify me when he arrives at your home, I am,

Very truly yours,

HKM.

Joe Chief-eagle,

Dear sir:-

I have your letter relative to per capita money. As you are not eighteen years of age, this office has no authority to pay you your money direct but must pay it to your guardian. When you are eighteen years of age, we can then turn the money over to you direct.

I am not sure that I know who you are as we have no such name on our rolls as Joe Comes Out Holy or Joe Chief-eagle. We have a John Comes Out Holy (Two Sticks) whom I take to be yourself. If this is not the case let me know and tell me the name under which you are carried on the payment rolls.

Very respectfully,
