SPECIAL NOTE.

This form must be executed in duplicate when a child is transferred from a reservation to a non-reservation school. The Superintendent of the nonreservation school will retain the original for his files, and the duplicate shall be deposited in the Agency records. The agent will then send to the Commissioner of Indian Affairs his certificate as provided by law. All the blanks must be properly filled in every case.

NOTE.—Age limits, fourteen to twenty years. Preferably fourteen to eighteen. Students must be at least one-fourth Indian, preferably full Indian. Special cases beyond the age limit will be given consideration. An industrial course only can be taken and the term reduced to three years, in exceptional cases.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations, or Indian schools, to nonreservation schools.

Sir: Mr. P. S. Everest,
Superintendent, La Pointe Agency,
Ashland, Wis.

Dear Sir:

This is to advise that I have noted the contents of your favor of April the 14th and that our Mr. Warner knew nothing at all about Edward Dennis's plans to desert from this school. I will add that Edward had not applied to this office at any time for permission to return home for the summer and that it is yet believed best that his return to Carlisle should be effected without delay. If I can co-operate with you in any way to arrange for his carrying out of the agreement he entered into when he was accepted for enrolment here I will be pleased to hear from you.

Very respectfully,

I do not think, therefore, from what he told me, that there will be any possibility of getting his consent to return to school this summer; however, I will be glad to keep the matter in mind and do whatever I can to this end.

HKM.

Superintendent.

Respectfully,

La Pointe Indian Agency, Wisconsin,
Ashland, April 14, 1913.

Sup't. M. Friedman,

Carlisle, Pa.

Sir:

I have your further letter of April 11 concerning the desertion from your school of Edward Dennis.

Edward was in the office last Saturday and made an application for some money.

I had a talk with him concerning his leaving Carlisle and he stated that he had made application to go home and that Mr. Warner at least seemed to understand that he was about to go away. I do not know how true this is, but he did not express any intention of going back to school this summer, at least; on the contrary said he was going to Des Moines, Iowa, and play association base ball. He did say, however, that he expected to go back to Carlisle in the fall, expressing the assurance at the time that he would have no trouble in being re-instated in good grace since he was a member of the athletic team.

I do not think, therefore, from what he told me, that there will be any possibility of getting his consent to return to school this summer; however, I will be glad to keep the matter in mind and do whatever I can to this end.

Respectfully,

Sup't. & Spec. Disb. Agent.
