Paul Jones was transferred to this Home from Addie McEwen's where he bore a good report. I thought he would make a splendid boy for Mr. Fulmer and could earn at least \$18 per month. Mr. Fulmer claims he is very intemperate and does not work with any degree of interest. He is paying him \$15 which he claims is more than he earns. Mr. Fulmer would like to exchange boys if possible.

This is a good home and I cannot see any reason for poor conduct. Mr. Fulmer will pay as per value of boy \$15 and up. Mr. Fulmer would like a small boy also if any is available.

The Western Union Telegraph Company will receive not later than midnight **NIGHT LETTERS**, to be transmitted only for delivery on the morning of the next ensuing business day, at rates still lower than its standard night message rates, as follows: the standard day rate for ten words shall be charged for the transmission of fifty words or less, and one-fifth of such standard day rate for ten words shall be charged for each additional ten words or less.

To guard against mistakes or delays, the sender of a message should order it **REPEATED**, that is, telegraphed back to the originating office for comparison. 4. Messages will be delivered free within one-half mile of the Company's office in towns of 5,000 population or less, and within one mile of such office in other cities or towns. Beyond these limits the Company does not undertake to make delivery, but will, without liability, at the sender's request, as his agent and at his expense, endeavor to contract for him for such delivery at a reasonable price.

Mr. McKean:

You will please arrange to escort Paul Jones to Harrisburg on train leaving at 5.41 this evening, and to place him on the first connecting train west at that point.

Mr. Miller has checks aggregating \$70.73 and from that amount you will purchase a ticket for Paul's use to Pendleton, Oregon. What is not required to pay for his ticket (\$62.30) and to pay for your expenses as escort to Harrisburg is to be turned over to Paul. It will also be well to notify the Station Master at Harrisburg so that conductors will be instructed to keep the boy on the train and so that there will not be any chance of his remaining in this community.

You will report him "on leave"

Supt. M. Friedman,

Dear Sir:

I am in receipt of your letter of the 11th inst. relative to the case of Paul Jones and note what you say as to the advisability of his discontinuing his connection with your school and returning to his home.

All the money to the credit of this young man in my hands at the time was transferred to you October 10, 1912. There are therefore no funds in my possession for the payment of his transportation home. Whether or not his father can advance the money I cannot say, but ^I will take the question up with him at the first opportunity and will advise you as to the result. In my opinion Paul should be retained at the school until the necessary funds can be secured for returning him to his home.

Respectfully,

Mr. E. L. Swartzlander,
Superintendent, The Umatilla Agency,
Pendleton, Ore.

My dear Sir:

Referring further to the Paul Jones case I have to report that his term of confinement to the Cumberland County Jail will end next week, and as it will not be advisable to have him continue as a student here it is my opinion that he should be sent to his home.

The amount now to his credit in our school bank is not sufficient to pay for his transportation, and as it does not seem to be a legitimate government expense to provide transportation for his use I would thank you to send the additional amount of \$25.00 that is required.

In view of the fact that prompt action is advisable I would thank you for a prompt reply.

Very truly yours,

HKM.

Superintendent.

Nov. 22nd, 1913.

The Honorable,
Commissioner of Indian Affairs,
Washington, D. C.

Sir:

I respectfully submit below a copy of a report that was handed to me by our Disciplinarian on the 11th instant regarding a young man who was enrolled at this school on February the 2nd of 1912:

"Paul Jones who has been a student of Carlisle for some time has been put in the Guard House here on several occasions for breaches of school discipline and has on the whole a bad record while here. By his own admission he was in jail on his own reservation for horse stealing and later for fighting his Superintendent. He said that when he came to Carlisle that his departure was a hurried one in order to get away from the Sheriff at his home who had 24 counts against him for bootlegging whiskey on the Umatilla Reservation."

* * * * *

In view of the fact that he has finally proven himself entirely unworthy of the help that he has been given here and has become so incorrigible that he is a bad influence among the boys who have to associate with

him I respectfully recommend that I be authorized to dismiss him from this school and send him to his home at Pendleton, Oregon.

Relative to Paul Jones' request for funds I would suggest that he be supplied with money enough to furnish him food on his journey home and that all other money that may be paid to him from his account here be given to him after his arrival home. I do not think it would be advisable to furnish him money to any amount at this time. As for his clothes and rain coat they will be given him before he starts.

Mr. E. H. Wartzlander,
Superintendent,
Pendleton, Oregon.

Sir:

I have your inquiry of October 24 regarding Paul Jones a student of this school and in reply have the following: Mr. N. L. Swartzlander, Superintendent, The Umatilla Agency, Pendleton, Oregon, with one of the girls of this school for which he received a sentence of 60 days in the Cumberland Valley Jail by the judge in the city of Carlisle. Paul pleaded guilty to the charge and so got off with a light sentence.

When your letter of October the 24th was referred to our School Disciplinarian he issued a statement as follows:

Very respectfully,
Disciplinarian.

Through M. Friedman, Superintendent, "Recently Paul committed a misdemeanor with one of the girls of this school for which he received a sentence of 60 days in the Cumberland County Jail by the Judge in the city of Carlisle. Paul pleaded guilty to the charge and so got off with a light sentence."

Pendleton, Oreg., October 24, 1913.

Mr. M. Friedman,

Supt. Carlisle Indian School.

Dear Sir:

Philip Jones, the step-father of Paul Jones, says he received a letter from him in which he says he has been put in jail for a term of thirty days. Philip was in the office to see me, and appears very much concerned over such bad news of his step-son. Please write me the facts in the matter in order that I may inform Philip.

Yours very truly,

E. Swartzlander
Superintendent.

Mr. James E. Henderson,
Superintendent, The Cherokee Agency,
Cherokee, N. C.

My dear Mr. Henderson:

Paul Jones, one of the boys who contributed to the delinquency of Lucinda Welch, was sent to his home at Pendleton, Oregon, last evening. During the time he was confined to the Cumberland Co. jail he requested permission to go to the girl's home, but I believed it inadvisable to take such action.

On leaving he stated that he will go to his home to adjust several matters of business and that he then expects to go to Cherokee early in January. Believing it proper that you should know of his contemplated action I bring this matter to you for your information.

Very truly yours,

HAK.

Superintendent.

My dear Sir:

In further reference to the dismissal from this school of Paul Jones, I submit below for your information a copy of a letter that was addressed to me from the Office on December the 10th:

"The Office has received your letter of November 22, recommending that you be authorized to dismiss Paul Jones from your school.

In view of the status of this young man, and the fact that he is so incorrigible and his influence among the other boys is harmful, authority is hereby granted to expell him from your school and send him to his home in Oregon. Please see School Rules, Sec. 107.

Superintendents of the other non-reservation schools should be advised of his expulsion from Carlisle."

Very respectfully,

HKN.

Mr. M. Friedman,
Superintendent:

Paul Jones who has been a student of Carlisle for some time has had been put in the Guard House here on several occasions for breaches of school disciplin and has on the whole a bad record while here. By his own admission he was in jail on his own reservation for horse stealing and later for fighting his superintendent. He said that when he came to Carlisle that his departure was a hurried one in order to get away from the sheriff at his home who had 24 counts against him for bootlegging whiskey on the Umatilla reservation.

If these admissions are true I am sure that Paul would not care to return to his home and that if a ticket were furnished him to that point that he would try to dispose of it on the way if some means to prevent were not employed.

Very respectfully,

E. E. McLean
