SUGGESTIONS FOR SUPPLYING THE INFORMATION REQUESTED ON THIS BLANK

1. The report of nonreservation school Superintendent should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the school year, provided the pupil is 18 years of age or over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with the returned student for the purpose of getting more in personal touch with him and finding out something about his wishes, etc. His answer will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very important in placing them properly; height and weight could be approximated very satisfactorily, though from the pupil records now in use all information called for in part 1 of this blank can readily be obtained and be definite.

3. The State, agency, and tribe are important, and where the pupil is not attached to any agency this fact should be stated and the Superintendent should give all available information as to the home and local conditions surrounding the pupil.

4. Where the outgoing pupil has passed the civil-service examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the outgoing student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be given, as this fact largely determines how much effort will be made on behalf of any particular returned student; qualifications being equal, or nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Indian Office, Washington, D. C.

8. Reports on students from reservation schools should be made only as to those who leave the schools at 18 years of age, or older, and who will probably not go away to school.

9. If part 1 of this report is made out by the principal of a reservation school, the reservation Superintendent should supply information called for in part 2 if the principal is not informed as to home surroundings and local conditions. Such information is essential to a proper understanding of the difficulties and needs of the pupil.

10. When part 1 is made out by a nonreservation Superintendent, this blank will be sent by the Supervisor of Indian Employment to the Superintendent of the reservation where the outgoing student belongs. He should fill out part 2 and return the blank as promptly as possible, for practically nothing can be done until the information called for in part 2 is supplied.

Information under the heading "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.

Dear Superintendent:

Your interesting letter of the 24 was received, and the money reached me safe.

And now I must thank you for your kindness, and favors you have done for me.

Though according to my figures I have some money to my credit there in the bank. And wish you would look into the matter for me.

I am sure there is some mistake in the bankers books, or else I would of received the full amount.

I will explain to how I know. A few days before I left the school I went to Mr. Miller and ask him how much I had to my credit, and he told me I had \$63.00 and some few since. And Mr. Carley had only sent five payments up to me so that left me \$33.00 to come from town yet.

And then I drew \$40.00 when I left the school. In the first place I had \$38.00 in the bank, and earned \$8.00 in town, while

working there. I have \$96.00, and have only
received \$11.37, and would like to have you
see a font the rest, that is to come to me.

There should be \$24.63 more. After working
for it, I don't feel as though I can afford to
lose it, and wish you would see into the
matter.

Trusting you will do all you can for
me. Please let me know what you can do for me.

Yours truly

Lonnie Sheford.
