INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Dec. 29, 1911.

Mr Friedman

Dear Friend,

I was very very glad
to hear from you.

I have enjoyed ^{my}
self very much since I've
been home but as I have
not the education I should have
I am not able to go ahead in
the world.

I have passed
in the school here.

And I think if I go back
to Carlisle for five more years
by that time I would be able
to strike out in the world on
my own hook.

Wishing you a
Happy New Year

Yours truly

Mitchel Herne.

If you succeed in learning where he is located I would be pleased to have you write me at once. Our search for him can then be discontinued and it can be determined what other action to take.

Very truly yours,
