Mr.

My dear Frank:

Referring to your letter of June the 22nd, in which you again call attention to the necessity of having Agnes Hinman return home for the summer to be of assistance to your mother, I have to advise that the arrangements desired can be made if Superintendent Kneale will assure me that the need is sufficiently great to warrant taking Agnes out of school at this time.

Such a formality is required because the period for which Agnes was enrolled does not terminate this year and because her release from school should not be effected without the approval of the Superintendent under whose jurisdiction she is when at home.

I must also advise that the matter of transportation for Agnes cannot be adjusted except sufficient funds are deposited with which to secure transportation for her going and with which to place transportation for her at the

Dear Mrs. Denny;

Received yours and very glad to know that there may be such a chance as to have my sister near me this summer, and I certainly do thank you for expecting to try to make the arrangement and if it can't be made it's all the same, we'll get along the best we can; live on hopes till the next chance.

I am getting along nicely and I thank you for wishing me a success.

I'm glad to know that you and Mr. Denny are, ^{still} getting along nicely.

Now since the commencement is all over, I suppose everything is kind of quiet and every ^{body} is down to business again.

According to some of the programmes which

I received from Miss Lowrey the commencement must have been fine.

To bad, the small boys couldn't ^{win} the prize for the competitive drill again this year. Well, as "Pop" says, it's no fun to win all the time.

I must now close with best wishes to you, Mr Denny, and my old friend Bill Owl.

I must now write to him.

Dear Sir,

I would kindly ask you to do me a favor, by trying to reflect your memory back to July 15th of Sept 8th 1911 by looking over your records or letter files, and kindly let me know why my check # 30, dated July 15th payable to Mr Frank L. Johnson ^{born 12.50} went to protest, and why it was protested by the Merchants National Bank of Carlisle Pa. instead of being returned to the First National Bank of Camden N. J. Also let me know whether I paid protest in cash or by check following. My reasons for asking you this question is as the Bank has made a mistake in the account on my book and has just discovered and I would like to have it straightened out, the check no. 30 has now been returned the First National Bank of Camden as yet so for this reason I would kindly ask you to give me a prompt reply. Mr. Frank Johnson,

July 25th, 1910.

Dear friend Frank:

We are pleased to hear that you have succeeded in securing work in Omaha, and the fact that you had no difficulty in being taken on by your former employess, even though this is not their busy season, speaks well for the service you must have rendered them last year.

I hope you will be steadily employed until the opening of the next school year, for that will put you in good shape for your next year's work.

We will be glad to have you select us a party of desirable students and to let you escort them to Carlisle. Write us further particulars concerning them as far in advance of the date of your departure as is possible. Anything we can do to assist you will gladly be done. The blanks I enclose you herewith should be used in submitting me the applications for enrolment. They will have to be forwarded with your Agent's approval and recommendation.

With the hope that you may again be successful this summer, I remain,

Mr. Frank L. Johnson,
Winnebago, Nebraska.

My dear Friend:

Upon receipt of your letter of July the 7th I referred it to our school hospital with a request that a report be made me regarding the condition of your half-sister's health. I submit below the reply that was addressed to me yesterday by Dr. Fralic:

"Agnes Hinman was admitted to the Hospital on July 2nd, 1913, suffering with a cough which proved on examination to be bronchitis. Since she has been in the Hospital her cough has improved and she has gained weight. I see no reason from her present physical condition why she should be sent home, although she would, no doubt, be benefitted by a change of climate."

The report indicates that Agnes is not in ill health and under the circumstances her return home cannot be effected except the usual requirements are complied with. Such requirements are that the request for her

return home be approved by your Superintendent and that an amount be deposited with me which will be sufficient to pay transportation both ways from Carlisle to Winnebago.

Dear Mr. Friedman;

I do not wish to hold any body responsible, if any thing should happen to Agnes Hinman, my half sister. and I would like you to see her personally and notice her condition; She has the very same thing for which her sister was sent home, Agnes has lost eighteen or twenty pounds, so she is in no condition to remain there any longer, so we want her sent home at once. She is now in the hospital.

she is accustomed to here.

I hope everything will be
satisfactory to you and I know
she'll stand better chances
of getting well quicker here
than she would there as her

gaining weight again.

I hope everything will be O.K.

The telegram that came to this school yesterday from you was rather indefinitely worded, but I presume it referred to the going home of the boys whose periods of enrolment terminated this year. Replying thereto I have to advise that the boys went to their homes on the 16th of June.

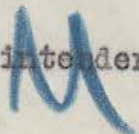

Regarding your own going home I must state that you are entitled to go at any time it is convenient to you. If you can come to Carlisle a day before the time you wish to leave for the west all necessary arrangements can be completed.
