INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Special cases beyond the age limit will be given consideration. An industrial course only can be taken and the term reduced to three years, in exceptional cases.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations or Indian schools to nonreservation schools.

Dear friend:-

Your letter addressed to the "Outing Agent" comes to me for reply. While I am sorry for you because you can find no work out there and would like to help you, if I could, I do not think it advisable for you to return to our outing district. Our experience has been that it is not the best thing for our outing to have "free" boys in homes in the district used for our outing.

There is always work for one who really wants it and will make an honest effort to get it. If you are in earnest in your efforts to obtain work, I am sure you will get it. It may not be just what you would like to have at first but if you perform your duties faithfully, you can always rise. With best wishes, I am

Your friend

RETURNED STUDENT
PART 1
Report by Non-reservation Superintendent or Reservation School Principal

SUGGESTIONS FOR SUPPLYING THE INFORMATION REQUESTED ON THIS BLANK.

1. The report of Non-reservation School Superintendents should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the year, provided the pupil is 18 years of age and over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with him, for the purpose of getting more in personal touch with the returned student, and finding out something about his wishes etc. The answer to this letter when received will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very essential in placing them properly, but height and weight could be approximated very satisfactorily, though from the pupil records now being gotten up, all information called for in part 1, of this blank, could readily be secured and be definite.

3. The State, Agency, and Tribe are important, and where the pupil is not attached to any agency, this fact should be stated as "no agency," and in such cases the Superintendents should give all available information as to the home and local conditions surrounding the pupil.

4. Where the out-going pupil has passed the Civil Service Examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the out-going student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be stated, as this fact largely determines the amount of efforts that will be made on behalf of any particular returned student: Qualifications being equal or even nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Denver, Colorado.

8. Reports on out-going students from Reservation Schools, are made only on pupils leaving the school who are 18 years old or over, and who will probably not go away to school.

9. If Part 1, of this report is made out by the Principal of the Reservation School, the Agent or Reservation Superintendent should supply information called for in Part 2, if the Principal has not the necessary information on home surroundings and local conditions. Information in regard to home surroundings and local conditions is very essential to properly understand the pupils' difficulties and needs.

10. When Part One is made out by Non-reservation Superintendents, this blank will be sent by the Supervisor of Indian Employment to the Agent or Superintendent of the Reservation, where the out-going student belongs, to have Part 2 filled out. This should be filled out and returned to the Supervisor of Indian Employment, Denver, Colorado, as promptly as possible, for, practically nothing can be done, till the receipt of this blank, with Part 2 filled out by the Reservation authorities. The information "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.
