I am writing you in regard to my returning to school this fall and beg to suggest you forward me a ticket to Pawhuska not any later than September 5th. I have been successful in securing two Indian boys who will attend the school and will bring them up.

I am doing well and am in good health since returning home. Be sure and send me my transportation at your earliest convenience, and trusting to hear from you soon.

Dear Sir:

This is to acknowledge receipt of your letter of August the 22nd, in which you state that you desire to return to Carlisle and that several boys would come here with you. Replying thereto I have to advise that your name is now listed among the deserters from this school. It is the third time this year that your name has been so listed. Under the circumstances you will have to prove the sincerity of your purpose by coming back to Carlisle at your own expense. One more chance will then be given you.

The boys mentioned in your letter should apply to Superintendent Carroll for transfer to Carlisle. If he approves applications for their transfer I will be notified in what way assistance shall be given.

Very truly yours,

HKM.

Superintendent.

My dear Sir:

This is to advise that James McKinley was apprehended soon after the receipt of your letter of June the 19th and that he has been returned to school. In view of the fact that he had deserted from this school it was believed inadvisable to let him remain at work during the remainder of the summer months at the home where he was found.

Very truly yours,

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

That no Indian pupil under the age of fourteen years shall be transported at Government expense to any Indian school beyond the limits of the State or Territory in which the parents of such child reside or of the adjoining State or Territory. (35 Stat. L., 781.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.
