December 1, 1915.

Mr. C. E. Lipps,

Supt. Mr. George W. Cross,
Superintendent, Fond du Lac Agency,
Carlisle, Pa. Cloquet, Minn.

Dear My dear Mr. Cross:

Will you please refer to your letter of August 23.

This is to acknowledge receipt of your favor of the 1st instant again requesting that consideration be given the matter of having William Martineau enrolled at Carlisle. Noting in one of the letters you forwarded here for our information that the boy has expressed a preference for the Pipestone School, this is to state in reply to your letter that it will probably be advisable, therefore, to let the boy go to Pipestone. Excellent training can be given him in that school and he will then have an opportunity to show whether he is worthy of being brought so great a distance to Carlisle later on.

Trusting that the suggestion I offer can be considered and that the boy can be helped to start anew his school career, I remain,

Very respectfully,

Encls.

Mr. O. H. Lipps,
Supt., U. S. Indian School,
Carlisle, Penn.

Dear Mr. Lipps:

Will you please refer to your letter of August 23, relative to Wm. H. Martineau, a former student at Carlisle?

Enclosed there are two letters received from the step-father of the boy. It is difficult to know what to say in regard to this case, as the family lives in Superior and I have but little opportunity for personal observation. I do not believe, however, that the boy is incorrigible. The mother is dead and the step-father is a cripple and has several children to look after. If it is possible for you to do so, I would urge that William is given another opportunity of attending the school. Inasmuch as his brother is there I imagine William will prove tractable and make a good record for himself. His physical record on Form 5/354 will be furnished you immediately.

Thanking you for any consideration you may give this case, I am,

Very respectfully,

CED-WJV
