My dear Sir:

This is to acknowledge receipt of your favor of September the 17th, with which you forwarded an amount of \$45.00 for the use of Jeannette Pappin. The same has been placed to her credit in our school bank and will be allowed her from time to time under the usual regulations.

Referring to that part of your letter in regard to the return to school of Joe Pappin, I submit below a copy of a statement that has just been received from the Disciplinarian in charge of our larger boys:

"I do not think that Joe Pappin would be benefitted by being returned to this school unless his hearing has been improved since he was last here. His general deportment was good but on account of poor hearing I am of the opinion that he made small progress in Classes and in his industrial work here. I would not advise his return unless some steps are taken to improve his hearing."

Because of the fact that Joe's hearing is a great

handicap to him in his school work it will hardly be advisable to have him take additional time for school work, and I shall not object to his remaining away from Carlisle.

Very truly yours,

Dear Sir:

I shall be pleased to have you send me exchange for \$100.00, being the apparent balance of Joe Pappin in your bank according to your letter of the 6th instant.
