INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

My dear Mr. Friedman:

Mr. William Robinson,

Newtown, Pa.

Dear Friend William:

I have your letter of the 19th instant, asking for money with which to buy a suit of clothes, and have to advise you that our records show that your expenditures for the month of May were \$26.00; for June 38.00, and for July 31.00. Mr. Miller says you do not have any money to spend from your account here at the school.

You know the Rules require you to save one-half of your earnings until your term of enrolment expires. That amount is given to you to take home. One-fourth of your earnings is allowed you during the summer, the other one-fourth you will be allowed to draw this winter while you are not earning money. Now if you have spent already your one-fourth, and want the one-fourth you would have to spend this winter, you are the one to decide. As the money question stands now, you do not have any to spend for a suit of clothing.

Your friend,

LaF.

Superintendent.
