Dear Mr. Redearth:

On checking over the pupils' accounts at this school, I find that you have a balance of \$1.63 and I am enclosing a check for that amount. Please sign and endorse it before getting it cashed. I will thank you to attend to this as soon as possible as we are sometimes caused considerable trouble by checks being held and not cashed.

With kind regards and best wishes, I am

Yours very truly,

Superintendent.

July 24th, 1915.

Mr. Howard Rederth,  
Peever, South Dakota.

My dear Sir:

Replying to the letter of the 21st instant which contained your signature as well as James Campbell's, this is to state that the record on file here regarding you is not at all to your credit. You are aware of the fact that we had considerable trouble with you at Carlisle before you finally deserted.

Especial care is to be taken this year in the selection of students for our next year's work and unless you can establish the fact that you have done better at your home since the time you deserted from Carlisle than you did while a student here your request for permission to return cannot be given consideration. If you are in earnest it is suggested that you call on Superintendent Mossman and that you ask him to write a letter in your behalf. His recommendation in the matter must be entirely favorable.

Very truly yours,

HKM.

Acting Superintendent.

Special cases beyond the age limit will be given consideration. An industrial course only can be taken and the term reduced to three years, in exceptional cases.*

## INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations, or Indian schools, to nonreservation schools.
