The agent will then send to the Commissioner of Indian Affairs his certificate as provided by law. All the blanks must be properly filled in every case.

NOTE.—Age limits, fourteen to twenty years. Preferably fourteen to eighteen. Students must be at least one-fourth Indian, preferably full Indian. Special cases beyond the age limit will be given consideration. An industrial course only can be taken and the term reduced to three years, in exceptional cases.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations, or Indian schools, to nonreservation schools.

THE POCATELLO TRIBUNE

Prowlers in Skirts to be Strictly Censored

Since Closing of Restricted District, Officers Have Discovered That Offenders Are Trying Rooming House Proposition, and Three Are in Jail As a Result.

Determined that the orders of district court be carried out and all provisions of law fulfilled in regard to the abatement of prostitution, local officers are sharp on the trail of fair coryphees who figure that they can operate in the residence or business district, and a few instances have been nailed within the past few nights, and three of the women are now in the county jail in consequence.

During the last session of district court the restricted district of Pocatello was closed, and injunctions were issued against several owners of the property. Seemingly a few of the residents of the district figured that they might be able to slip by the authorities by moving into rooming houses or other quarters, but the officers say the law against prostitution will be vigorously enforced, and the girls will have to hike for greener pastures and easier beer, while the "maes" will become homeless wanderers.

Last night a white man and a col-

ored woman were grabbed in a room in the old district. They had quarrelled over a pint bottle of beer, for which the man had paid, and he got no change, and that is what bothered him. When taken before the judge this morning he decided that his name was John Begauge, but when asked if that was his right name admitted very readily that it was not, and couldn't spell the fictitious one. As he apparently hadn't committed any offense, and was a badly scared farmer, he was advised to cut out the high life with smoked damsels and beat it back to his family and he didn't wait for further orders. His companion, Rilla Staples, was given sixty days in the county jail.

Isabella LaVatta, an Indian girl, and Lee Moore, a white woman, have been in jail for several days, and will be given a hearing today. Each of the girls has a count of vagrancy against her, in lieu of direct evidence that they were soliciting on the streets or elsewhere.

WOMAN GOT NINETY DAYS

TWO CONVICTED ONE GETS TRIAL

Jury Disagreed in One of the Cases,
and a Retrial Has Been Ordered
on the Charge of Street Walk-
ing.

(From Wednesday's Daily.)

Over in the county jail there are three women, one white, one colored and one Indian. They were picked up by officers and are charged with street walking and prostitution, and are said to have occupied quarters in the former restricted district, later moving to rooming houses when the district was closed by order of the court.

They don't like the new jail to any great extent, notwithstanding which they have a good many visits from other women.

Two of them, however, will occupy the county bastile for the next ninety days, having been convicted. They are Rilla Staples and Isabella LaVatta, who were convicted of the charges against them. The case of Leo Moore which was on before Judge Knowles yesterday afternoon resulted in the jury disagreeing, and she will be given another trial, probably this afternoon.

Fort Hall Indian Agency,

Fort Hall, Idaho, Nov. 6th, 1915.

Mr. M. Friedman,

Mr. Evan W. Estep,

Superintendent, The Fort Hall School,
Fort Hall, Idaho.

Carlisle, Penna.

My dear Sir:

My dear Mr. Friedman:

Referring to your Mr. Cahill's letter of
October the 28th, I have to advise that there
must be some mistake about my suggesting that
Isabella Lavatta return to Carlisle. In view
of the fact that she was allowed to go home on
account of ill health she could not be received
here under any circumstances unless her trans-
portation would be provided by her parents. If
such requirements can be met I will be pleased
to hear from you again regarding Isabella's re-
turn.

Very respectfully,

Evan W. Estep, Supt.,

HKM.

DEPARTMENT OF THE INTERIOR

UNITED STATES INDIAN SERVICE

Fort Hall Indian Agency,

Fort Hall, Idaho, October 28, 1913.

Mr. M. Friedman,

Superintendent Indian School,

Carlisle, Penna.

My dear Mr. Friedman:

Miss Isabella Lavatta called at this office a day or two ago and informed me that you had written her father a short time ago, suggesting that she return to Carlisle for the purpose of completing her course. As your records will doubtless show, Isabella was sent home in June last on account of ill health.

If you want this girl to return to Carlisle, I see no reason why this office should interpose an objection. She informed me that she was enjoying good health. If you place transportation for her, please place it at Fort Hall, Idaho, subject to my order.

Very respectfully,

Evan W. Estep, Supt.,
