SPECIAL NOTE.

This form must be executed in duplicate when a child is transferred from a reservation to a non-reservation school. The Superintendent of the nonreservation school will retain the original for his files, and the duplicate shall be deposited in the Agency records. The agent will then send to the Commissioner of Indian Affairs his certificate as provided by law. All the blanks must be properly filled in every case.

NOTE.—Age limits, fourteen to twenty years. Preferably fourteen to eighteen. Students must be at least one-fourth Indian, preferably full Indian. Special cases beyond the age limit will be given consideration. An industrial course only can be taken and the term reduced to three years, in exceptional cases.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employe of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations, or Indian schools, to nonreservation schools.

Mr. H. P. Marble,
Asst. Supt., The Keshena School,
Keshena, Wis.

My dear Sir:

I have received the approved application for the enrolment at Carlisle of Jerome Sheshequom, who had to be discharged from this school in 1912 on account of the condition of his health. It is noted that an apparent recovery in his case has been effected, but it is believed that it would not be advisable to let him return here to continue with his education on account of the fact that he was unable before to continue with his work.

I am having the application returned herewith.

Very truly yours,

H. P. Marble

Sir:-

There is enclosed application of Jerome Sheshequom for his enrollment at Carlisle Indian School. This boy was formerly a pupil at Carlisle but was discharged because of illness from which trouble he seems to be fully recovered. He is very anxious to return to school work and it will be appreciated by this office if he can be accepted.

Very respectfully,
