INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

That no Indian pupil under the age of fourteen years shall be transported at Government expense to any Indian school beyond the limits of the State or Territory in which the parents of such child reside or of the adjoining State or Territory. (35 Stat. L., 781.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

Dear Mr. James Shadano,

Lac du Marbeau, Wisconsin.

My dear Sir:

This is to acknowledge receipt of your letter of recent date, in which you state that you desire to return to Carlisle so that you can make a better record than that which now appears against you here in our files.

Replying to your request I have to advise that if you are sincere I will give you another chance, but, of course, you will have to pay for your transportation to Carlisle.

Hoping that you will let me hear soon just what you intend to do, I remain,

Very truly yours,

I couldnt enter the

running away from

very sorry I came away
from there on my own

Supt. Indian School,

Mr. W. N. Sickels,
Superintendent, Lac du Flambeau School,
Lac du Flambeau, Wis.

My dear Sir: a young Indian on this Reservation

Referring to your letter of September the 16th,
I must advise that James Shadamo's record at this
school was far from satisfactory, and for the reason
that he was a chronic deserter and is now more than
twenty-one years of age it is my opinion that the
Government should not be asked to assist him further
in securing an education.

James was enrolled here in 1911. He deserted
two times and is now a deserter, not having completed
his term of enrolment. Because of such delinquency I
would not be justified in giving my consent for his
enrolment at the Chilocco School.

Very respectfully,

W. N. Sickels

Dear Sir:

We have a young Indian on this Reservation by the name of James Shadamo who enrolled at Carlisle as a pupil two years ago. He came home this summer and I presume must have deserted, at least we have no word to the contrary. He is now asking permission to go to the Chilocco Indian School. He states that he will not return to Carlisle, and rather than have him out of school, I would like for him to have another opportunity for further education in going to Chilocco or elsewhere.

Please advise what your records show, and if you still have a claim on him, whether or not you are willing to release him to Chilocco.

Very respectfully,

W. N. Sicks

Dear Sir:

I am in receipt of your letter dated August 29, 1916. I have always had an idea that if I ever went out to work, I could stick to my work. So I am excepting this offer that the Indian Office is giving me. I also will do my very best to the work and to make good.

I will have to have the Government to pay for my transportation to the Ford Factory in Detroit. I am 23 years of age. You may write to L. W. While, Superintendent and Agent of Lac du Flambeau, Wisc. for a testimonial concerning my personal worth. Let me hear from you again.

Thanking you in advance, I am
