August 8th, 1913.

My dear friend
Mr. Haskell Santee,
Shields, North Dakota.

My dear Friend:

I have your letter of August the 4th, re-
questing that your son George be given permission
to return home because several members of your family
are seriously ill. Replying thereto I have to state
that your request should be submitted me thru the
office of Superintendent McCabe of the Standing Rock
Agency, in order that the Superintendent can trans-
mit therewith his recommendation. The request will
then be given further consideration.

I must also inform you that the amount re-
quired to pay for George's return transportation from
Carlisle to your home would have to be deposited with
me before it could be arranged to send him home.

Very truly yours,

HKM.

Superintendent.

My dear friend
I wish to write you a letter
today which is of very great
importance to me. There are
reasons of very great importance
to me that I wish to
inform you of. Now one of the
greatest reasons is that we
are continually visited with
grief at our homes. For that
reason I beg of you to send
my son George quite back
home to me. I beg of you
that if it can possibly

ed to have
me by the
this is that
the risk
the in law is very low
I can not live very much
longer. His ^{Georgey} mother is also
very sick. She has been sick
since the eight of June and
is not getting any better
but seems to be failing
very rapidly, so for this
season I want my boy
to come home so that he
may see his mother alive
again. I have had the doctors
but they dont seem to be
able to better things any,
although my wife has
felt a little improved for the
last week. My son in law
is beyond the help of the

doctors, and ³ ~~to~~ ~~to~~ ~~to~~
for ~~him~~. The reason
this to you is that
living in the open
reservations and we are
busy with our work,
had piled up on account
of our hay harvesting,
and grain cutting, at the
same time we have cattle
and horses to look after.
Our stock runs out among
the locaters and squatters
and are giving us a lot
of trouble as we have not
enough help to attend to
all of our stock and farm
too. My son-in-law being sick
this puts us another hand
short, and we have no one
to look after our stock.
So my friend I want you to
do this great favor for

my boy
all. So I want
you to use your
influence to send Geo home
me. The two who are
sick want to see George
and begged me to write
and ask for his return
and we will be expecting
to have him come home.
I will draw my letter
to a close now as I have
told you all of the facts
of the seasons I want
George home. Hoping to
hear from you soon I
am very respectfully
Your friend.

My dear Friend:

It has been reported to me that you went to your home "on leave", with the understanding that you will return to school here to complete your original period of enrollment as soon as your services are no longer required at your home. Under the circumstances the funds to your credit here will have to be retained until it can be determined definitely thru the office of your Superintendent whether your stay at home is to be permanent.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

That no Indian pupil under the age of fourteen years shall be transported at Government expense to any Indian school beyond the limits of the State or Territory in which the parents of such child reside or of the adjoining State or Territory. (35 Stat. L., 781.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.
