INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

This form is to be used only in transfers from reservations or Indian schools to nonreservation schools.

Dear friend:-

I have your letter extending an invitation to Charles Baird and Fred Skenandore to spend next Sabbath with you. While I appreciate your kindness in giving this invitation to the boys, I do not think it would be well to allow the boys to accept it. There is a tendency on the part of some of our boys to wander all around the neighboring country on Sundays and we have been trying to prevent this. If we allow two of the boys to go out, we could not well refuse others who would want the same privilege. So for the best interests of all, I think it best to deny your request.

Very truly yours

Supervisor in Charge.

Dear sir:

I have received your letter but I was sorry you didn't enclose my amount of money with it.

I do not see why you whole on to that, so long as this. I am sure my last summer's employees as send my wages in to the school by this time.

I have been trying to keep my self going on to this time.

I have been got trouble
with my eyes since
I was home. I was
working so far but
now the doctor as
told me I have better
rest my eyes for awhile.
I expect to start to school
as soon as I get better.

I wish you would enclose
that amount on your letter.
I think I ought have that
by this time because I
am not under your
rules.

Yours truly
Chester Elm.

Mr. Chester Hill, Oneida, Wisconsin.

Sept. 7th, 1916.

I am enclosing a blank in duplicate for you to
Mr. Chester Hill,
Oneida, Wisconsin.

My dear Friend:

I have received your letter of the 5th instant and have noted that you desire to return to Carlisle in order that you can attend the Borough High School. In view of the fact that you were formerly enrolled here, made so excellent a record, and have completed some of the required vocational work I shall be willing to assist Superintendent Hart in completing arrangements for your transfer to take high school work if assurance can be given that you have sufficient money to your credit to pay tuition charges of about \$50.00 per year. That is the amount other students from this school were charged last year in the Carlisle High School.

It is understood, of course, that you would be a student here in every sense of the word except that you would not take the school work we give. You would be required to conform to the school rules and such duties as could be performed by you when not at your studies would be given you. However, your former stay here is sufficient proof that you would do what you could to show appreciation of the efforts we would make to as-

assist you.

Dear Sir,

Herewith I am enclosing a blank in duplicate for you to fill out and to take to Superintendent Hart to be approved.

I herewith want to inquire how I could be enrolled in your school
The Superintendent will then recommend whatever else I should do to be of further assistance.

and enter the high school in town
In this connection I must state that our records show your age as being twenty-one on the 16th of this month. That will give you but a little more than a week's time to get here if you desire that the Government shall pay for your transportation, so I am having a ticket for your use made available at Oneida. If the Superintendent can recommend your transfer he can give you an order to secure the ticket just as soon as he has given your application his consideration. If you are planning to pay for your transportation from your own funds you can come on after the 16th, but you should not delay very much longer than that date so that you can begin your high school work as soon after the opening day of school as is possible.

Hoping this letter will be the means of helping to complete the plans you desire to have made, I am,

Very truly yours,

Dear Sir:

I herewith want to inquire, how I could enrolled in your School, and enter the high School in town, I am this year's graduate of Mt. Holly high school. And I am anxious to continue my education as long as possible. I have applied to a college in Missouri and was expecting to enter there this fall but some how I failed

I fill the Application.
I have already send my
ertificate in, which
my princaple fulfilled
last May. but that is
good whenever I am ready
to enter ~~in~~ that School.

My reason is, that I would
to enter Carlisle high school,
because I would rather
finish my high school
course, than go to this
College I have mentioned,
which it is much cheaper
than others.

I am willing to do
any work that you have
out or in your offices.

I await your reply
how I can tell when I
could come.

Sept. 21st, 1916.

Dear Mr. Chester Hill, (Em)

I am Oncida, Wisconsin. receipt
of your letter in regards to
my dear friend:

Your letter of the 16th instant was received earlier
this week and in it I have noted that you have arranged to
accept the invitation of Mr. Forney to return to his home
and that then you can attend the Carlisle high school as a
member of his family without paying tuition. I am glad to
hear that such an arrangement can be made, although I should
have liked to see you return here as one of our students.

Noting further in your letter that you are anxious to
bring your step-brother to Carlisle I am having enclosed here-
with a blank upon which an application may be submitted to Su-
perintendent Hart for approval. Other blanks you have on hand
may be handed to your friends. If I am then advised by the Su-
perintendent that your step-brother has completed the course of
work at the Tomah School and he recommends the enrolment here
I can have transportation placed at once. If you do not delay
about having the application filled out there will be ample time
to make transportation available before the date you intend to
leave for the east.

Very truly yours,

Capt. O. H. Lipps

Dear Sir:

I am just in receipt of your letter in regards to your offer to enroll at your institution. I came to conclusion that I am unable to secure the means for tuition, to enter the town high school, if I enroll under the Government rules. My Country Father at Carlisle has offer me to come back to him, which I have already fulfill his word

that way I do not have to pay any tuition, because I will ^{be} really under his charge and more so he is more father to me, than my own.

You enclosed two blanks to be filled out, I have a step-brother and other friend that I presume they would be willing to filled out the blanks, if possible that they can pass examination. I wish my step-brother would take the chance, because he is going on 16 yrs. of age, and my father and I desire, that

e should enter higher institution.

He has been to Tomah Three years, of course it ought to helped him at that length of schooling and besides he has also ~~attended~~ a day school.

If you give me ^{the} word to gete these two blanks filled, I will do so. Please write soon so that I can arrange with Mr. Hart that I could bring my step-brother along, ~~to~~ ^{to} Carlisle, to your institution, when I will come back some time about the first or second week of October.

Yours very truly.

Any general statement or wishes of patron or pupils, together with Agent's estimate of place, people, and pupil:

This is a first class farm home where a goodly number of horses are kept and some truck farming is done.

Mr. Farney likes Chester well and would like to keep him if he will stay, and if not, he would like another small boy who can help about the house.

Mr. Farney also wants a large strong boy who can help in farm work during the summer. He is willing to pay from twelve to sixteen dollars per month for a boy who is able to do the work.

Chester is undecided about himself. He likes his patrons well but thinks he would rather get out on the farm to work than do house work. Chester thinks he could earn from \$7.00 to \$10.00 per month at farm work. Mr. Farney thinks the same about him but claims he is not strong enough to do his out door work.

To be more explicit, Mr. Farney wants two boys during the summer of 1911. One small boy for house work, and one large boy to help in truck farming.

Any general statement or wishes of patron or pupils, together with Agent's estimate of place, people, and pupil:

Mr. Farney affords a good home for Chester and he has been satisfactory so far. Chester is getting too large to do house work and should be outside by spring.

Mr. Farney is willing to keep Chester during the summer of 1912 and start him at \$10.00 per month at outside work. He also would like a small boy to help with house work.

Chester has asked to change homes in the spring and live with some one by name of James Jacobs. He has no good reason for wanting to change and I find the party above named is not a suitable person for us to take up as a patron of the school.

Mr. Chester Elm,

My dear Friend:

Your letter came to me this morning and I noticed in it that you desire to enter a public school near your home. I am pleased to know that you will continue with your education, because you are yet at an age when you should be in school. If you find later on in the year that you can not get just what you want in the public schools at your home I will be glad to enroll you here for an additional term.

Your letter in regard to your money has been turned over to Mr. Miller, the banker, and it will be given such attention in his office as will be allowed under the Regulations.

Supt M. Friedman
Carlisle Penna,

Dear sir:

I received your letter replying that I have drawn more then what I entitled to draw. I got the answer just what I thought it will be again, I don't see why I always ^{seem} to have more trouble about my money ever since I ~~been~~ ^{am in} the Carlisle rules.

I dont see why Mr. Forney as not send all of my wages yet, when I got transfored from Mr. Forney in 1212. I know ~~howe~~ ^{owe} ~~me~~ ^{me} \$54.65, and as Mrs La Flesche says he had send in \$10.00 before

no. 2.

Christmas. I did not draw
in out from all winter and
he still owe me \$44.65. and
after I ^{have} come in to the school
this spring he send me 10.00
to myself but I did not
asked him for it. I was
talking to Mr. Dickey about
it, and he said he will call
Mr. Forney up over the phone
Mr. Dickey told him that
I am in at the school and
it seems to bad that I do
not ^{have} any money to spend.
Mr. Dickey did not meet
to tell Mr. Forney to ~~send~~ ^{send}
the money to my-self he
~~met~~ to send it all my
wages to the office.

No. 3.

I was not expecting Mr. Forney to send me that \$10.00 and I did not know that he didn't reported to the office if I have known that I would reported in my-self. but really that is all I have drawn from him I did not draw from time to time.

I am now just counting what I have left, Mr. Forney still owe \$34.65. but as you said he had send in \$20.65. there is still remains \$14.00.

Now I hope you understand this because I really would like to have the \$5.00 what I had ask you.

I had ~~use~~ that \$10.00 Mr.
Horney send me for working
shoes and suit case and
rest I had keep for pocket
money.

Mr. Freedman I wish
you would do what I asked
you.

Yours truly

Charles E. O'Connell

DEPARTMENT OF THE INTERIOR
UNITED STATES INDIAN SERVICE

I went to Mr. Forney's home today for the purpose of collecting the money due Chester Elm, as per the reports enclosed; It is evident that the full amount has been paid since there are papers to show that Nineteen dollars and thirty five cents has been paid to Chester and Forty dollars sixty five cents to the school.

Besides the two receipts that you find attached to the reports, Mr. Forney's account book shows that Chester drew Four dollars in cash on August 12th. 1912. He also sent him ten dollars this spring after he returned from Jacoby's which fact is evident from Chester's letter which you find enclosed. (It was during Mr. Forney's absence from home that Mrs. Forney gave Chester the Four dollars and not being accustomed to the rules, failed to take a receipt.)

Mr. Forney holds receipts from the Outing office for Forty dollars and sixty five cents, so the account stands as follows:

Mr. and Mrs. Levi Elm,
Oneida, Wisconsin.

My dear Friends:

Replying to your letters of recent date, I have to advise that there seems to be some doubt in Chester Elm's mind whether to go to your home or the home of his father, and because of that fact your request cannot be given consideration until I have had a chance to talk the matter over with Chester. He will probably return to school some time next week.

Very truly yours,

HCH.

Superintendent.
