SPECIAL NOTE.

This form must be executed in duplicate when a child is transferred from a reservation to a nonreservation school. The Superintendent of the nonreservation school will retain the original for his files, and the duplicate shall be deposited in the Agency records. The agent will then send to the Commissioner of Indian Affairs his certificate as provided by law. All the blanks must be properly filled in every case.

NOTE.—Age limits, fourteen to twenty years. Preferably fourteen to eighteen. Students must be at least one-fourth Indian, preferably full Indian. Special cases beyond the age limit will be given consideration. An industrial course only can be taken and the term reduced to three years, in exceptional cases.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations or Indian schools to nonreservation schools.

August 31st, 1914.

Mr. Walter F. Dickens,
Superintendent, Red Lake Agency,
Red Lake, Minn.

My dear Mr. Dickens:

To answer an exception to the accounts of former Superintendent M. Friedman there is required from the Peter Fuller who was returned to his home at your Agency early in April of 1913 a receipt to cover an amount of \$9.00 that was advanced him in cash to pay for a Pullman berth from Harrishburg to Chicago and for his meals and incidental expenses enroute. I enclose herewith a form for Peter's signature and I would thank you to refer the same to him as soon as convenient.

There is also evidence showing that a check for an amount of \$4.00 was drawn to the order of Peter Fuller on June 30th, 1913, to reimburse him for the same Pullman fare that is included in the above mentioned \$9.00. Will you please secure from Peter a statement showing whether he received such a check from this school?

Very respectfully,

HKMF

Supervisor in Charge.
