INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Miss Eleanor Jacobs,

R. F. D. 5, Syracuse, N. Y.

My dear Friend:

I thank you for your letter of recent date, regarding the enrolment at Carlisle of an eleven year old boy who lives in the vicinity of your home. Replying to your letter I have to advise that he cannot be received here on account of his age. If an older brother or sister were enrolled here special arrangements could be made, but under the circumstances it is not allowed by the Indian School rules.

I am complying with your request by sending herewith a number of application blanks. I would thank you to hand them to your friends and to advise them that they should not delay about filling them out and sending them to me for my consideration.

Hoping the summer is proving to be pleasant for you, I am,

Very truly yours,
