The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

if a properly approved application to cover the transfer is submitted to the office of Superintendent Mrs. Foster House, Oneida, Wisconsin. I enclose may be used for the purpose of a transfer. Anna King was sent home in April this year because she had a bad heart, loss of weight and very bad eyes, which prevented her from going to school. She had not attended school for some time before she was recommended to go home on account of the above conditions.

My dear Madam: apply for enrollment with your boy.

Several days previous to the time when your letter of August the 50th came to me I had a letter from your daughter, Anna King, asking that permission be given her to return to Carlisle. Our school physicians were then asked to make me a report, and I submit below the statement that was received:

Copy to Superintendent Hart.

"Anna King was sent home in April this year because she had a bad heart, loss of weight and very bad eyes, which prevented her from going to school. She had not attended school for some time before she was recommended to go home on account of the above conditions.

It is my opinion that she should not be permitted to return to this school as it would be but a short time when her condition would be the same as before and have to be sent home again."

In view of the fact that she would probably not be strong enough to do even a part of the year's work it will not be advisable to receive her again until a more nearly permanent cure has been effected.

Your fifteen year old boy can be received here

Miss Anna King,

Onida, Wisconsin.

My dear Friend:

Upon receipt of your letter of August the 25th I asked Drs. Allen and Frelie to submit me a report in regard to the advisability of allowing you to return to school. What they did submit to me was entirely unfavorable, so I regret to advise that you can not be given permission to return to Carlisle.

I thank you for the information you conveyed to me regarding Helena Adams's desire to be enrolled here. I am writing her today and am sending her an application blank.

Hoping that the condition of your heart will improve to the extent that it will again be advisable to enroll you here, I remain, with best wishes,

Your friend,

HCM.

Dear Madam:

heart trouble and had it long
than never wrote any more

Your letter addressed to Mr. Friedman comes to
my attention. The records show that your niece, Anna
King, left the school in April, 1913, because of illness.
She was sent home to her mother, Mrs. Foster House of Oneida,
Wisconsin. We have not heard anything directly from Anna
since that time. I think that if she had died we would
have heard of it. I think you can get any information you
want by writing to Mr. Hart, Supt. at Oneida, Wisconsin.

We publish a weekly paper, the Arrow, and if you
wish us to send you this please send twenty-five cents which
will pay for the Arrow for one year.

Very truly yours,

D/B
