INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

Mr. Joe Waupoose,
Keshena, Wis.

My dear Sir:

I thank you for the kind letter you wrote to me when your son arrived at your home. It is gratifying to know that you are so pleased with his appearance and the progress he had made during his stay at Carlisle.

It is hoped that he has found work for the summer and that he will return to Carlisle, bringing other boys with him.

Very truly yours,
HGM:GL Superintendent.

Supt M. Friedman
Indian School
Carlisle
Pa.

Dear Sir.,

I received your
letter dated the 9th of June
notifying me about my boy
coming home so I make arrange-
ments and met him he arriv^{ed}
at the station half hour before
I did I was very glad to see him.
He came home as what you
would call a man and I am
very glad you taught my
boy and thank you very much

because I find that he is a different man now than what he was when he left here from home to go to school.

The reason why I thank you is because I sent two of my boys to a school in this state called Tomah and one of them is dead and ~~one~~ the other ran away and I don't know where he is today he don't seem to care for me but this boy that I sent to you wants to stay with me and help me out. I have a farm and he

knows farming and so I
am going to put him in
charge of it.

Now I believe that the
Carlisle Indian school is
the best place to send pupils
because there are many ex
students around here and
they are all doing excellent
work and getting good pay.

I am very sorry that I
did not let you know that
I wanted my boy to learn
carpenters trade but it is my
~~boy's~~ own mistake.

I have another boy that

I would like to send to
you he is eight months old.

Well this will be all what
I have to say so I will close
thanking you much for
sending my boy back in
good health and also a good
straight boy.. I am very
respectfully
