INDORSEMENTS

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservation or Indian schools to nonreservation schools.

Dear Sir:

I am returning herewith Checks Nos. 20950, 20951, 20952 and 11798 forwarded to me with your letter of June 16, 1913. I have made every effort to locate James Bearchild but find he is not in this section of the country. He is thought to be some place in the east. He told some parties when he left here that he was going back to Carlisle.

Dear Sir:

Mr. Walter McClintock,

East End, Pittsburgh, Pa.

Dear Sir:

I have your letter dated January 31st making inquiry relative to a Blackfoot Indian by the name of Jim Bearchild.

I have to inform you that James Bearchild was enrolled as a pupil here on the 21st of December, 1907. He remained here until January 23rd, 1911, when he deserted from the school. He was readmitted on the 8th of January, 1913 and ran away again just two days after this date. He is enrolled as a Blackfoot Indian from Montana. James was not a very reliable pupil and the reports which have come to us since he left the school, have not been very much to his credit.

Regretting that I cannot recommend this fellow to you, I am,

Very truly yours,

Sir:

I have this day succeeded in getting James Bear Child to sign the checks in compliance with your request in your letter of Sept. 17th. Check #20952 in the sum of \$13.27 was duly turned over to James Bear Child; The other checks are returned herewith.

James did not want to sign the two checks, #20950-51, as he claims that there is some mistake about this, as he does not understand why the amounts of these checks should be paid to the Penna R. R. Co. and the Great Northern R. R. Co., respectively; he signed these checks under protest, and asked that an explanation be made as to why this sum is not turned over to him, instead of being paid to the two railroad companies.

As this matter was not explained to me in your letter I was unable to make the matter clear to him. Kindly give me such information as is necessary, in order that I may make this matter clear to James Bear Child.

I respectfully submit herewith correspondence that has passed between this office and Superintendent McPatridge of the Blackfeet Agency at Browning, Montana, regarding several amounts that are due and remain unpaid in connection with transportation that was furnished to James Bearchild during the time he was connected with this school as a student.
