My dear Madam: you will notify me when the girl arrives

It has been arranged so that Josephine Warren
will go direct from Mrs. Bemus Pierce's home at Irving,
New York, to Ogema, Minnesota. Therefore, I cannot tell
the exact date on which she will arrive at her destination.

Under date of September the 8th a letter as follows
was addressed to Mrs. Pierce:

"I have received your letter of September
the 3rd and I am sorry to learn that your sister,
Josephine Warren, does not desire to return to
Carlisle for an additional year before she goes
on to her home. However, as she is entitled to
her release from school I am arranging so that
transportation will be made available at Irving
for her passage to Ogema. Please notify me on
what date Josephine is to leave your home so that
her name can then be taken from our roll of stud-
ents.

Thanking you for the efforts you have made to
induce Josephine to remain in the east and assur-
ing you of my continued interest in her welfare,
I remain, with kindest personal regards for your-
self and Mr. Pierce."

My sister Josephine Warren's ticket for her return to Carlisle have not come, she tells me her term will expire this month at Carlisle and that she intends going home with this month's home party. ... not think it well
... convenient as well as

home from here? Please

She has had a good vacation
and rest and has recovered
from her operation.

My dear Friend:

As it will soon be time to arrange for your return to school I would be pleased to know whether you could bring several students with you from the immediate vicinity of your sister's home. If such assistance can be given, and you have anyone in mind who is anxious to enrol here, please let me hear from you on the card herewith and school literature and application blanks will then be mailed you.

If it is not convenient for you to lend cooperation, will you let me hear on the card who would give such help. If a sufficiently large party can be secured an escort's transportation would be provided.

Miss Josephine Warren,

My dear Friend:

Now that you have had a vacation at your home I would be pleased to know whether we may expect you to return to Carlisle for an additional period of enrolment. Our records indicate that you are more than twenty-one years of age and so you would have to pay for your transportation if you do return. However, that would entitle you to enroll for a shorter term than the three years usually required.

Hoping your stay at home has been a pleasant one and that I will hear from you soon, I remain,

Very truly yours,

HKM.
