Dear Sir,
Mr. Joseph Carter,

I am in receipt of a letter from my son, James
Carter, Meeker, Oklahoma, advising that he is forced to attend the Catholic
church against his wishes, and requesting that I write
you relative to the matter. In his letter he expresses
a desire to affiliate with the Presbyterian denomination.

Having noted the contents of your letter of
April the 2nd and that of your son, which is being returned
to you herewith, this is to advise that when boys arrive
here they are requested to state what Church they desire
to attend while they are students here. For some reason
or another your boy seems to have become enrolled as a mem-
ber of the Catholic Church and so he was required to attend
that Church. However, in compliance with the boy's request
and your own it has now been arranged so that he can attend
the First Presbyterian Church instead of the Catholic Church.

Assuring you further that I will gladly co-operate

Our School Physician believes that James should not be allowed to remain out of a Sanatorium long and that there are good reasons to hope for an entire arrest of the disease in his case if he takes good care of himself and makes an effort to become stronger.
