INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Dear Sir,

Herrell Sotomach, (Simon's father)
is in my office asking that you
allow Simon to come home for
the winter. The old man is sick
not able to work, and his wife fell
down stairs and was hurt badly
and they need their son to take
care of them as they are all alone
in the house with no other children
to help them out, trusting you may
be able to let Simon come at once

Dear Miss Sweeney November 8, 1916.

I want you to tell your father I would go to work at the Ford Motor
Mr. Simon Socktomah, Perry, Maine

Dear Friend:

Thought your letter addressed to Miss Sweeney relative to being recommended for the Ford Factory comes to my attention. We are not planning to send another class to the Ford before next summer and as there are many applications ahead of yours I doubt if we can do anything for you at that time. Mr. Chas. E. Dagenett, Supervisor of Indian Employment, Washington, D. C., is finding places for the older Indian boys in other factories than at the Ford and I would suggest that you write to him.

Very truly yours,

D/B

Superintendent.

could tell me some
thing about it.

I'd would like to

tell me all about it.

I am well at present
and I hope you are
the same.

My dear Sir:

In accordance with the recommendation contained in your letter of November the 25th and your telegram of November the 28th, it has been arranged for Simon Socktomah and Joe Nicholas to leave here this afternoon for their homes. Both boys reported to me that they have sufficient funds with which to pay for their transportation.

It is to be regretted that the boys have not had a longer time in school this year and it is hoped they can arrange to return soon to continue with their studies.

Hoping that you will find it convenient to notify me when the boys arrive at their homes, I am,

Very truly yours,
