The person who signs the blank as consenting to the transfer should indicate his relation to the applicant by marking out the word "parent," "guardian," or "next of kin," leaving unmarked only the title appropriate to the signer.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Mr. Percy Parroka,

Wardley, Pennsylvania.

My dear Friend:

Truly your friend,

The request you conveyed to me in your letter of September the 7th has had careful consideration, and I agree with you that you are now old enough to take care of yourself and to handle your own affairs. However, I must also state that since you are now located in one of our Outing districts it will cause dissatisfaction sooner or later among the boys who will not have the same privileges you would have if released from the school. For that reason it will not be advisable to release you while you are located in that vicinity.

In view of the fact that you have done better during the last year than ever before, would it not be of a little more help to you to remain under the jurisdiction of the school for a little while longer or until your land in Oklahoma will again be without a tenant and when you will probably want to work it for yourself?

Let me hear from you again about this matter, as I

Mr. Percy Parroka.

am anxious that you too shall give it your most careful thought, and so that I can then co-operate with you further.

Extending you best wishes for continued success,

I remain,

Truly your friend,

Dear Sir,

As my time expires
on the 23rd of this
month: I would to be-
come a free man from
the Carlisle Indent Schott.
and tend to my own
affairs like a man,
and secure employment
for myself, and I
think I am capable
of removing those
stumbling blocks which
are always in life's way.

ding to find
a man for myself
to get right down to
business and make a
living for myself. like
the rest of the boys when
they have left school.

Mr. Friedman if you
will do me this favor I will
be the happiest boy in the
world.

Besides my land is
being leased for 3 years
beginning the first of 1914
and so you see I have
to work somewhere to earn
my bread and butter.

I think I have
enough, I must
bring my short and inter-

With best regards to
you and the school,

Dear friend.

Mr. Percy Parroka,

at hand was given to me
Yardley, Pennsylvania.

My dear Friend:

In your letter of September the 29th you speak about leaving Yardley if your release from this school is effected. In order that the request you have made can be given further consideration will you please let me know where you propose going and what plans you have made for your future? I am anxious to be of assistance to you and can be of the greatest help if you will confide in me.

Supr. M. Friedman.
Carlisle, Pa.

Dear friend:-

Your letter of the 26th
at hand was glad to here
from you.

Truly it is right that I am
located in one of your outing
districts, but what difference
will that make when I'm
released from the school.
I would not stay at a
place where the students
have been working. No. I
would not do that. because
I knew the rules of the school.

I know yourself that
there are plenty of other
places besides where the
students are located.

Mr. Friedman my land
has just been leased for
three more years beginning
January 1st 1914. So why
would I have to wait three
long years just to be
(read) released from the school,
and what difference will
it make if I was to remain
under the jurisdiction of
the school a little while longer.
This is all I have to say
for this time. Hoping that
this letter will give you some
satisfaction.

11.

Wishing you and the
all the best wishes for
continued success,

I remain,
Respectfully,

Percy Porro

SUGGESTIONS FOR SUPPLYING THE INFORMATION REQUESTED ON THIS BLANK

1. The report of nonreservation school Superintendent should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the school year, provided the pupil is 18 years of age or over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with the returned student for the purpose of getting more in personal touch with him and finding out something about his wishes, etc. His answer will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very important in placing them properly; height and weight could be approximated very satisfactorily, though from the pupil records now in use all information called for in part 1 of this blank can readily be obtained and be definite.

3. The State, agency, and tribe are important, and where the pupil is not attached to any agency this fact should be stated and the Superintendent should give all available information as to the home and local conditions surrounding the pupil.

4. Where the outgoing pupil has passed the civil-service examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the outgoing student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be given, as this fact largely determines how much effort will be made on behalf of any particular returned student; qualifications being equal, or nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Denver, Colo.

8. Reports on students from reservation schools should be made only as to those who leave the schools at 18 years of age, or older, and who will probably not go away to school.

9. If part 1 of this report is made out by the principal of a reservation school, the reservation Superintendent should supply information called for in part 2 if the principal is not informed as to home surroundings and local conditions. Such information is essential to a proper understanding of the difficulties and needs of the pupil.

10. When part 1 is made out by a nonreservation Superintendent, this blank will be sent by the Supervisor of Indian Employment to the Superintendent of the reservation where the outgoing student belongs. He should fill out part 2 and return the blank as promptly as possible, for practically nothing can be done until the information called for in part 2 is supplied.

Information under the heading "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.
