If the information called for on any part of the blank is not known, that fact should be stated. No space should be left unfilled. Whether the parents are living or dead, their names must be given.

The person who signs the blank as consenting to the transfer should indicate his relation to the applicant by marking out the word "parent," "guardian," or "next of kin," leaving unmarked only the title appropriate to the signer.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

This form is to be used only in transfers from reservations or Indian schools to nonreservation schools.

My dear Madam:

I submit below for your information a copy of a statement that was handed to me this morning by our School Physician:

"I must report that Gertrude Antone is pregnant, being about five months along. I am told that Gertrude is a returned student, having left here on the 4th of April and returned on the 7th of December. She must be sent home as soon as arrangements can be made."

I regret very much that such a condition has to be reported to you, but in accordance with the recommendation contained in the Doctor's statement it is being arranged so that Gertrude can leave here tomorrow morning. She should arrive at De Pere on Saturday evening of this week, and Superintendent Hart will be notified by wire when she may be expected.

Very truly yours,

HKM.

My dear Madam:

Reporting as was requested in your letter of February the 27th, this is to advise that according to the records at this school Gertrude Antone left here to go to her home on April the 4th of 1913. She was again enrolled here on December the 7th of 1913 and on February the 6th of this year she left this school at the recommendation of our School Physician because of her delicate condition.

Our School Physician did not question Gertrude as to the man responsible for her condition because it was a foregone conclusion that she was brought to the condition while at her home.

Very truly yours,

HMM.

Dear Friend;

I'm writing to you
Mr Friedman. I like to ask
you few facts, concerning
Gertrude Antone.

The date she left
last spring, also the date
she left now. She came
home on the seventh of
Feb. The new comer came
on the eight of Feb.

She claims she got it
at Carlisle, we can't see

it. Was she questioned at
the School? Who did she
laid it too?

We laid it to her own
step-Pa. I think he is
going to be taken up
for it. So I was asked
to write to you, so to
get the right dates when
she left the School
each time. I am,

Respectfully

Supt. M. Friedman,

Dear Sir:

Mr. Jos. C. Hart, applies for reenrollment, and unless there is some reason why she should not return she will start the next week. Two other girls also apply, and will

probably leave at the same time. If at any time you find that no more pupils can be received please advise me, so that no more regrettable mistakes may be made. Please advise me also if Darius Skenandore returned to Carlisle. He was over age and his return would be at his own expense, but I desire to know his whereabouts. In fact she is a very desirable student.

Very respectfully,
I will also advise that there is yet room here to accommodate additional students and that I will be pleased to have you send any other girls with her whose applications for transfer are satisfactory.

Darius Skenandore had reported at Carlisle several weeks ago, but when he was informed that his re-enrollment could not be effected he left. He was seen in Carlisle several days after that but I can not tell where he is located now.

Very truly yours,

HKM.
