SPECIAL NOTE.

This form must be executed in duplicate when a child is transferred from a reservation to a non-reservation school. Special cases beyond the age limit will be given consideration. An industrial course only can be taken and the term reduced to three years, in exceptional cases.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employe of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations or Indian schools to nonreservation schools.

Dear friend

July 17th, 1914.

Mr. Ed. Quick Bear,
Norris, South Dakota.

My dear Sir:

I thank you for your favor of July the 8th,
advising me that your son Levi has arrived at your home.

I have also noted that you are anxious to have
him return to Carlisle for next year's work, to which I
shall give my consent providing Levi can be convinced of
the necessity of following certain rules of procedure in
all cases and that at no time will he be justified in tak-
ing action that suits him alone if such action is contrary
to established rules. It will also be well for him to un-
derstand now, as he probably would have to understand later,
that his desertion will appear on our records and that it
certainly is not to his credit, regardless of what his pre-
vious record had been.

Very truly yours,

HKM.

Supervisor in Charge.
