INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without special permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Mrs. Annie Sorrell Quinn,

Very truly yours,
Inkom, Idaho.

My dear Friend:

MR.

Superintendent.

This is to acknowledge receipt of your letter of August the 4th and to state that your son, Charles Sorrell, can be given a chance to learn the painting trade. The classes for the year will be organized right after the 1st of September and Charles should then make his request.

Our school banker has informed me that Charles has an amount of \$30.85 to his credit. If you desire that he shall have additional amounts from time to time there will be no objections to your sending money for his use. Such amounts should be sent to me direct, so that disbursement can be made in the regular way thru our school banker's office.

The blank I enclose herewith may be used to submit an application for the enrolment at Carlisle of Charles's fifteen year old sister. The same should have Superintendent Estep's approval noted thereon before it is sent to me. Fur-
