Mr. Frank M. Breene,

Bartlesville, Oklahoma.

My dear Sir:

Referring again to your letter of June the 28th, I have to advise that Newton Thompson returned to school last evening, after an absence of but one week.

Reporting also as was requested in your letter I beg leave to state that Newton's record during the past year was generally good. Several times he had become slightly intoxicated, but under conditions not entirely to his discredit. He has taken an active interest in various school activities and is considered a leader among the boys. Newton has made splendid progress in his industrial work and has developed into a good carpenter.

It is hoped that the vacation he has had will be a further incentive for continued good work and that other favorable reports can be conveyed to you regarding him.

Very truly yours,

Dear Sir:-

Mr. Frank M. Breene,

My ward, Newton Thompson, has written me asking consent to take a vacation trip to Washington and Atlantic City. It is agreeable to me that Newton should take the trip and I have sent him a check for \$50.00 to cover his expenses.

Newton Thompson has come to me with your letter of June the 28th, in which you sent him a check for \$50.00 with which to take a vacation trip. I wish you would inform Newton that I do not want him to be gone longer than two weeks and I would thank you to let me know when he gets back and also a general idea as to what he has accomplished during the past year in school.

After I had a talk with Newton I approved the request and it is now being arranged for him to be gone from July 7th to July 21st, inclusive. He is expecting to spend all of that time in Atlantic City. Upon his return to school I will write you again as is requested.

S i r:

I have your letter of recent date enclosing letter from E. K. Frank of Bartlesville, Oklahoma, relative to the leasing of ten acres of land allotted to Newton Thompson, a student in your school and requesting to be advised as to whether or not the execution of a lease from Newton Thompson to Mr. Frank meets with the approval of this office.

In reply, you are advised that the records of the office show Newton Thompson to have two approved oil and gas leases at this time, and that there are three oil and gas leases executed by him pending in this office, but in view of the fact that Mr. Frank's letter did not contain a description of the land on which he wishes to acquire a lease, I am unable to determine whether or not said land is already covered by a valid or existing lease.

If the land which Mr. Frank desires to lease is restricted, when the lease is executed and filed with this office, if it is found that the bonus and other terms of the contract are not satisfactory, the office will see that the matter is properly adjusted before submitting the lease for Departmental approval. If, however, the land in question is unrestricted and a commercial lease is desired, care should be taken to see that the interests of the allottee are properly protected.

If you will furnish the office with a description of the land which Mr. Frank desires to lease, I will be glad to investigate and advise you as to whether or not said land is under the supervision of the Department.
