Mr. Joseph Sackatook,
Keshena, Wisconsin.

My dear Sir:

This is to advise that your sons, Jacob and Anos, will be entitled to return home this year because their periods of enrolment at this school terminate at the close of school this week. Arrangements are being made to have them leave here on June the 8th and transportation for their passage to Shawano will be provided for their use.

Hoping that you can arrange to meet them at that point and that you will let me hear from you when the boys have arrived at your home, I remain,

Very truly yours,

The agent will then send to the Commissioner of Indian Affairs his certificate as provided by law. All the blanks must be properly filled in every case.

The person who signs the blank as consenting to the transfer should indicate his relation to the applicant by marking out the word "parent," "guardian," or "next of kin," leaving unmarked only the title appropriate to the signer.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

-2- Commissioner of Indian Affairs.

Sept. 16th, 1915.

The Honorable, Commissioner of Indian Affairs,
Washington, D. C., and every opportunity will

Sir: be given him to acquire the training he desires in order

that Upon receiving a copy of the letter Superintendent
A. S. Nicholson of the Keshena Indian School addressed to
the Office from Neopit, Wisconsin, on the 13th instant in
behalf of Amos Sackatuck, it was learned that in 1913 Amos
was a deserter from Carlisle for a period of about five
months. It is shown farther in our records that he worked
in the Menominee Mills until he had earned enough money to
pay for his return transportation and that he later completed
satisfactorily his period of enrolment.

In view of the fact that the young man has been in
trouble since his return home was effected in 1914 it is be-
lieved only fair that he should take the additional time he
will require to accumulate what will again be needed to pay
for his transportation to Carlisle. It will afford him an
opportunity to show farther his sincerity of purpose and if
he can come only as a result of his own efforts it should make
of him a better student when he can come. A place will be re-

served for him, if authority is granted me to receive him an account of his being overage, and every opportunity will then be given him to acquire the training he desires in order that he can do work that will make a man of him.

Very respectfully,

HKM.

Mr. A. S. Nicholson,
Superintendent, The Keshena Agency,
Keshena, Wis.

My dear Mr. Nicholson:

I am complying with the request contained in your telegram of the 12th instant by arranging so that transportation will be furnished you at Shawano for Amos Sackatook's use for passage to Carlisle. The ticket will probably be ready within a very few days and I would thank you to notify me when Amos may be expected.

In this connection I want to call attention to the fact that Amos has not had a good record at this school, and unless he comes back with a determination to settle down to earnest work it will not be advisable to have him return to school. If Amos understands what is expected of him it may help him to do better.

Very truly yours,

HKM.

Dear Mr. Friedman:

I have taken up the matter referred to in your letter of the thirteenth instant with Amos Sackatook and he tells me that he is coming back to school with the intention of going to work and improving his record. He seems in earnest and I have given him some good advice, as has also his father.

He will start soon, the exact date to be reported later. He is at present working at the Menominee Mills to earn sufficient money to defray his expenses enroute.
