INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

Mr. Henry Giard,
Box 12, R. F. D. No. 6,
Mechanicsburg, Pennsylvania.

My dear Friend:

I have your letter of August the 11th, containing the information that your father has died. I am sorry to learn that such sad information has come to you and I extend you my sympathy.

It is hoped you and your sister will not have to give up your school work, but if it is necessary that you return home before the termination of your period of enrolment the request for the same should be submitted me thru the office of Superintendent Howard of the White Earth Agency. It can then be given consideration.

As it will be a matter of several weeks before the request can be regularly submitted you can continue with your work at your outing home until the students come in to school on August 30th.

Very truly yours,

Superintendent.

Mr. Henry Giard,

Fosston, Minnesota.

My dear Friend:

This is to acknowledge receipt of your letter of August the 6th and to advise you that it can probably be arranged to re-enroll you as late as the month of December if there is yet room here at that time to accommodate additional students. I would prefer to have you return to school earlier than the date specified in your letter, and I believe too that it would be to your advantage to do so. However, I will be pleased to hear from you whenever you can come and definite consideration can then be given your request.

I am glad to know you have been of assistance to your parents and it is hoped that your Carlisle training has been of use to you and to them.

Mr. K. Myers,

Dear Sir

A few lines to
ask you if I could
come back to Carlisle
in the fall or about
in December some
time,?

The reason I wait
so late is that my
mother and father
are alone on a
farm and they
need my help for
a while yet.

I would like
very much to get
back early but for
this reason I can
not do it.

So I would like
very much if you
would inform
