This form must be executed in duplicate when a child is transferred from a reservation to a nonreservation school. The Superintendent of the nonreservation school will retain the original for his files, and the duplicate shall be deposited in the Agency records. The agent will then send to the Commissioner of Indian Affairs his certificate as provided by law. All the blanks must be properly filled in every case.

The person who signs the blank as consenting to the transfer should indicate his relation to the applicant by marking out the word "parent," "guardian," or "next of kin," leaving unmarked only the title appropriate to the signer.

## INDORSEMENTS.

---

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

*Provided,* That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

This form is to be used only in transfers from reservations or Indian schools to nonreservation schools.

Mr. O. H. Lipps,

Dear Mr. Lipps:

I have your letter of June 30th, reporting the expulsion of John Bear. I also have your Court Martial report.

I regret very much that John caused you so much trouble. I shall ask the Policeman to keep watch of him and if he continues his illicit practices we will have him sent to a reform school. I have consulted our agency physician with the view of ascertaining if he thinks the boy is mentally deficient, and on return of his written report, I will, if thought necessary, send him away for examination by a specialist.

Very truly yours,

My dear Mr. Dady:

I transmit herewith for your information a copy of proceedings of a court-martial that was convened at this school on April the 21st to try John Bear, together with a letter I have just addressed to his mother.

I want to state further that the Hazel Myers with whom Bear associated was found dead on the outskirts of Carlisle several weeks ago and that a coroner's jury pronounced it a case of murder, so that he was not locked up any too soon in our guard-house to escape being mentioned in connection with that case.

Regretting that so unfavorable a report has to be conveyed to you and hoping that there may be some means whereby he can be compelled to make an effort to do better, I am,

Very respectfully,

My dear Madam:

I transmit herewith for your information a copy of proceedings of a court-martial that was held at this school on April the 21st to try your son for serious offenses. On May the 8th the findings of the court were approved by the Commissioner of Indian Affairs and I was authorized to expel your son.

In accordance with such authority arrangements are being made to have him leave here this evening. Transportation for his passage to Bayfield will be procured for his use and I would thank you to arrange so that an amount of \$25.12 will be sent to me to pay for the ticket.

It is to be regretted that such information has to be conveyed to you, but because your son would not make use of his time he is not desirable as a student.

Very respectfully,

My dear Madam:

The letter I addressed to you on June the 10th has probably reached you by this time, and as you were informed therein about the very unsatisfactory record that was made here by your son John it cannot be necessary to mention again so unfortunate a matter.

He has probably explained to you by this time that he was taken to Williamsport, Pennsylvania, to appear as a witness in cases against several negroes from whom he and other boys of similar reputation had secured liquor. His every action here seems to have been directed toward the very worst acts he could possibly become connected with.

Very truly yours,
