Miss Sarah Beuchler,
The Lancaster General Hospital,
Lancaster, Penna.

Dear friend Sarah:

I am pleased to hear that your work has been satisfactory at the Hospital during your training there, and I hope you will be just as successful with your private work. I admire your ambition to put your training into practice and I am sure that if you do your work well you will have no trouble to secure funds with which to take you to your home as I am informed by Miss Wardell is your ambition. If, however, you should be without a case and want to reduce expenses, you will be welcome to come here and rest or work in the School hospital as you may wish.

Wishing you a prosperous New Year, I remain,

Your friend,

LaF.

Superintendent.

Lancaster, Pa., January 5th. 1914

My dear Mr. Seidman:

Mr. Appel has given me
your letter in reference to
Mrs Sarah Beuchler.

Mrs Beuchler left the Hospital

January 1st 1914. Her work
in every way has been

most satisfactory. Home

secured a room for her near

the Hospital and shall do

every thing in my power for

her. She is anxious to secure

money to return to her home

Dear Friend:

I have just been notified that an examination has been authorized for you as nurse, and will be given you under the supervision of the Postmaster at Lancaster, Pa. I hope that you will make a high average and receive a good position in the Service.

Sincerely your friend,

Dec. 30, 1913.

Dear Mr. Allen,

This evening I

will take the time, and
you a few lines, to let you
know that I am well
and getting nicely with
my work. My three years
will soon be up. Miss
Wardell and the Mr's have
certainly been kind to me

To. day I had my final
Examination and passed
in all the branches.

And I appreciate your
kindness getting me in to
this hospital. Well Mr
how about me entering
the civil service in the
Spring? No private nursing
until Spring. Then take
Examination early spring

I hope and I know Azetta
will get along as well and
may do better than I did
through training. One good
thing that I had never
been sick all the three
years I've been here.

Azetta has been sick
twice since she has entered.

Well Mr. let me hear
from and give me your
advice about the matter.

Wishing you
New Year.

Miss Sarah Beuchler,

My dear Friend:

Referring to the letter you addressed to Mr. Meyer on March the 3rd, this is to advise that transportation can be provided for your use to Reno, Nevada, if you come in to this School to make your start for your post of duty at Fort Bidwell. It will be well to let us have the greater part of a day to make the arrangements for your transportation between the time you arrive here and the time you start for the west.

Complying with the request contained in your letter I enclose herewith a check for \$24.15, the entire amount to your credit in our school bank. Let me suggest that you keep ample funds as a surplus with which to defray your incidental traveling expenses on your long trip west.

Looking forward to the time when I shall make your acquaintance, so that I can then extend you my wishes for continued success, I am,

Very truly yours,

Dear Sarah:-

We have had an inquiry from Miss Wardell of the Lancaster Hospital about you but have not been able to tell her anything because we have not heard from you for so long. We have heard indirectly, that you are married. Will you please let us know something about you ? We want especially to know your married name and your present postoffice address.

I enclose an envelope which you can use as we would like this information for our files.

Wishing you continued success, I am

Dear Sir:

Your letter inquiring as to the present whereabouts of Sarah Beuchler has been received. I am sorry I am not able to tell you where she is at the present time. She did graduate from the General Hospital at Lancaster, Pa. and the authorities there have been making inquiries also as to her whereabouts, but we have not been able to help them. I should appreciate it if you do find out where she is if you would let me know.

Very truly yours,

Superintendent Carlisle Indian School,
Carlisle, Pa.;-

Dear Sir;-

Sallie Beuchler (Indian) wishes to know the whereabouts of her daughter Sarah.

Sarah attended your institution perhaps ten years ago, afterwards going to Stewart, Nevada, and after that I believe to Ft Bidwell. I think she learned to be a trained nurse at Lancaster.

She married, and her married name seems to have escaped from her mother, but her sister thinks it is McComb, any way, her present place of residence is unknown to her folks here.

They have changed camp or place of residence several times, and it is likely that they have been no more careful than average folks, and have lost the letters containing address.

If you can give us any information which will lead to the re-establishment of communication with the aforesaid Sarah, it will greatly please her old mother, and we will be obliged to you.

Thanking you in advance for any trouble which you may take,
I am, Respectfully;

Samuel J. Alderman

Dear Sir,

I am very much
pleased to hear I am
to return next week,
hope you will sent
Mrs Dimmick a
nice girl in my
place, for they are

very nice people
to work for, she would
like to have a girl
15 or 16 year old to
assist her with the
work, and also will
be a good home for
her.

Yours Truly.

Sarah Beuchle,

December 31, 1913.

Dr. Theodore B. Appel,
305 N. Duke Street,
Lancaster, Pa.

My dear Dr. Appel:

Dr. Allen has handed me your letter of December twentieth, with reference to Sarah Beuchler's desire to enter the Service. I enclose herewith a copy of a letter which I have sent to the Commissioner of Indian Affairs recommending that she be given a non-competitive examination for a nurse's position.

In the meantime, after she is graduated I hope that the hospital at Lancaster will continue supervision over her as far as possible, and that practical work in her profession be obtained for her. If there is no opening for her in nursing, the time which she spends at the training school in getting a more advanced knowledge of the nurse's profession will be of value to her.

Please have some one in authority at the hospital keep me informed as to how she is getting along, and with reference to her employment. I would prefer that she remain in Lancaster for the present, and that work be found for her there rather than at some distant place. She is still a student of this school, and we are responsible for her, hence

my request. I shall do everything in my power to assist
in getting her permanently located.

Very sincerely yours,

MF:SR

Superintendent.

IN OFFICE per shall do all necessary work

Dr. A. R. Allen,
Carlisle, Pa.

My dear Allen:-

Miss Sarah Beugler finishes her course next month. She is anxious to go into the service but from what she tells Miss Wardell she has no money, even to pay her expenses to the west. We will of course look after her until some arrangement can be made, and Miss Wardell intends, if possible, to get her some private work so that she can get a little money for that purpose. Are there any provisions or regulations in regard to her that would cover the case. In other words we have felt that these girls are to a certain extent wards of ours and that we are responsible for them to you. Will you please let me know the condition of affairs and what should be done.

Yours,

Theresa M. Allen

Diet.

Write, and ask for employment in service to Dr. F. Can have special examination at Lancaster. Stay at Lancaster till placed.

Can come to School if she wishes, better to stay in Lancaster if there is any work till arrangements are made.

December 30, 1913.

Dr. Theodore B. Appel,
305 N. Duke St.,
Lancaster, Pa.

Dear Dr. Appel:

I delayed answer to your letter of the twentieth instant until I could personally see and have a talk with Mr. Friedman, Superintendent, in regard to Sarah Beuchler. I had the talk and he will write you a letter in regard to the situation and make any arrangements that are to be made.

In the meantime, I wish to thank you very much for your kindness and courtesy in the matter, and hope that the younger nurse will prove as thoroughly efficient as Sarah did. With kindest regards and best wishes for a Happy New Year to yourself and wife, I remain,

Very sincerely yours,
