Dear Sir:-

I have just been informed of the very unfortunate condition of my ward Berker Cesar & your request to the department that she be removed from the school - Mrs Wilson will call for Berker on or about the 14<sup>th</sup> Inst. Had you notified me of her condition at the same time you notified the department could have taken her away from the school a few days sooner. Mrs Wilson left yesterday to visit our son who is attending school at Exeter N.H. & on her return home will come by way of Carlisle for Berker -

Yours very truly  
Horace Wilson

Mr. Geo. M. McDaniel,  
Field Clerk, The Union Agency,  
Sapulpa, Okla.

My dear Sir:

Immediately upon receipt of your letter of March the 24th I had our School Matron make an investigation in regard to the rumor that has reached you concerning the condition of Becker Gosar. At first the girl denied having had illicit relations with any one, but later admitted that she has probably been pregnant for about six months. Becker further admitted that she had had such relations with Sam Boser of and on for about a year and that she saw him the last time just a week before she left her home to come to Carlisle.

Although the girl's condition had not become noticeable to our Matron there seems to be no question at all about the necessity for her return home, and I would thank you to make funds available for her transportation and to advise in what other way assistance can be given.

Very respectfully,

HKM.

Dear Sir:

I enclose herewith for use of Beeker Casar a check for \$25<sup>00</sup>. Kindly get her indorsement & issue her the money as you think she should have it. Would you kindly let me know as near as you can how much money Beeker needs for her monthly expenses - She is continually writing for money & while I want her to have what she needs, do not think best for her to have more as she is a spend thrift & knows nothing of the value of money - I think economy would be a fine subject for her -

Dear Sir:-

I enclose herewith check for \$40<sup>00</sup> in favor of Beeser Cosar the same being his allowance for Dec. Kindly have her indorse check & let her have money as her wants or rather needs may require. On account of Christmas she will no doubt have use for the full amount during the month & I do not object to her having the same but would like for you to let her have it in such amounts as you think best. Beeser is a good spender & does not seem to have very much idea of the value of money. I think that economy would be a splendid subject for her to take up.
